INDEPENDENT AUDITOR'S REPORT

To the Members of Sylvanus Properties Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Sylvanus Properties Limited ("the Company"), which comprise the balance sheet as at 31 March 2022, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the state of affairs of the Company as at 31 March 2022, its loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ('SA's) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. Other information does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. Reporting under this section is not applicable as no other information is obtained at the date of this auditor's report.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report

to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with Ind AS specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on 31 March 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2022 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure B'. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements as at 31 March 2022– Refer Note 45 to the financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2022.

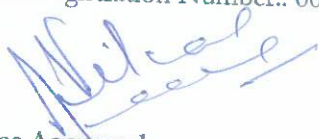

- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2022.
- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has not declared and paid dividend during the year.
- (h) With respect to the matter to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the Company did not pay any remuneration to its directors during the year.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

With reference to the Annexure A referred to in the Independent Auditor's Report to the members of the Company on the Financial Statements for the year ended 31 March 2022, based on the audit procedures performed for the purpose of reporting a true and fair view on the Financial Statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i) In respect of the Company's Property, Plant and Equipment and Intangible assets:
- (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) The property, plant and equipment have been physically verified by the management during the year and no material discrepancies were noticed on such verification. In our opinion, the frequency of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
- (c) The Company does not own any immovable property including investment properties are held in the name of the Company. Accordingly, reporting under clause 3(i)(c) of the Order is not applicable to the Company.
- (d) The Company has not revalued its Property, Plant and Equipment or intangible assets during the year.
- (e) No proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder. Accordingly, reporting under clause 3(i)(e) of the Order is not applicable to the Company.
- (ii) (a) In our opinion, the management has conducted physical verification of inventory at reasonable intervals during the year and no material discrepancies between physical inventory and book records were noticed on physical verification.
- (b) The company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. Accordingly, clause 3(ii)(b) of the Order is not applicable.
- (iii) (a) The Company has not made any investment in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to firms, Limited Liability Partnerships (LLPs) or any other entity during the year. The company has granted interest free loans or advances in the nature of loans, unsecured to company and employee during the year as below:

(Rs. In Lakhs)

Relation with Borrower	Nature of loan granted	Aggregate Amount granted/provided during the year	Balance outstanding as at balance sheet date
Others (Fellow Subsidiaries)	Unsecured	13.04	3,923.23

- (b) The terms and conditions of the grant of all loans are not, prima facie, prejudicial to the interest of the Company.
- (c) In respect of loans granted by the Company, the schedule of repayment of principal has been stipulated and the repayments of principal are regular.
- (d) There is no overdue amount in respect of loans granted to such employees and company.
- (e) No loans or advances in the nature of loans granted by the Company which have fallen due during the year, have been renewed or extended or fresh loans granted to settle the over dues of existing loans given to the same parties.
- (f) The Company has granted any loans or advances in the nature of loans, which are repayable on demand or without specifying any terms or period of repayment, except the following instances:

(Rs. in lakhs)

Relation	Type of Loan or advances in the nature of loan	Aggregate Amount granted/provided during the year	Amount of Loan or advance in the nature of loan outstanding	Percentage of loans/ advances in nature of loans to the total loans
Others (Fellow Subsidiaries)	Unsecured	13.04	3,923.23	100.00%

- (iv) In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of sections 185 and 186 of the Act in respect of loans, investments, guarantees and security, as applicable.
- (v) The Company has not accepted any deposits and there are no amounts which have been considered as deemed deposit within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.

- (vi) We have broadly reviewed the books of account maintained by the Company in respect of products where maintenance of cost records has been specified by the Central Government under sub-section (1) of section 148 of the Act and the rules framed there under and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) (a) In our opinion, and according to the information and explanations given to us, the Company is regular in depositing undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no statutory dues referred to in subclause (a) above that have not been deposited with the appropriate authorities on account of any dispute.
- (viii) According to the information and explanations given to us, no transactions were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) which have not been recorded in the books of accounts.
- (ix) (a) According to the information and explanations given to us, the Company has not defaulted in repayment of its loans or borrowings or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us including confirmations received from banks and other lenders and written representation received from the management of the Company, and on the basis of our audit procedures, we report that the Company has not been declared a willful defaulter by any bank or financial institution or other lender.
- (c) In our opinion and according to the information and explanations given to us, money raised by way of term loans were applied for the purposes for which these were obtained.
- (d) In our opinion and according to the information and explanations given to us, and on an overall examination of the financial statements of the Company, funds raised by the Company on short term basis have not been utilised for long term purposes.
- (e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.

- (f) According to the information and explanations given to us, the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.
- (x) (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments), during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or (fully, partially or optionally) convertible debentures during the year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the period covered by our audit.
- (b) No report under section 143(12) of the Act has been filed with the Central Government for the period covered by our audit.
- (c) According to the information and explanations given to us including the written representation made to us by the management of the Company, there are no whistle-blower complaints received by the Company during the year.
- (xii) The Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, reporting under clause 3(xii) of the Order is not applicable to the Company.
- (xiii) In our opinion and according to the information and explanations given to us, all transactions entered into by the Company with the related parties are in compliance with sections 177 and 188 of the Act, where applicable. Further, the details of such related party transactions have been disclosed in the financial statements, as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified in Companies (Indian Accounting Standards) Rules 2015 as prescribed under section 133 of the Act.
- (xiv) (a) In our opinion and according to the information and explanations given to us, the Company has an internal audit system as required under section 138 of the Act which is commensurate with the size and nature of its business.
- (b) We have considered the reports issued by the Internal Auditors of the Company till date for the period under audit.
- (xv) According to the information and explanation given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with them and accordingly, provisions of section 192 of the Act are not applicable to the Company.

(xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, reporting under clause 3(xvi) (a) and (b) of the Order is not applicable to the Company.

The Company is not a Core Investment Company and there are no Core Investment Companies in the Group. Accordingly, reporting under clause 3(xvi) (c) and (d) of the Order is not applicable to the Company.

(xvii) The Company has incurred cash losses of Rs.6,010.02 lakhs in the current financial year 2021-22 and 3,766.54 lakhs incurred during immediately preceding financial year.

(xviii) There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable to the Company.

(xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions and subject to the Note - 50(d) of the financial statements, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) (a) There are no unspent amounts towards Corporate Social Responsibility (CSR) requiring a transfer to a Fund specified in Schedule VII of the Companies Act, 2013 in compliance with second proviso to sub-section (5) of Section 135 of the Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable to the Company.

(b) There are no unspent amounts towards Corporate Social Responsibility (CSR) under sub-section (5) of section 135 of the Act. Accordingly, reporting under clause 3(xx)(b) of the Order is not applicable to the Company.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

With reference to the Annexure B referred to in the Independent Auditor's Report to the members of the Company on the Financial Statements for the year ended 31 March 2022 of even date.

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Sylvanus Properties Limited ("the Company") as of 31 March 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing specified under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

SYLVANUS PROPERTIES LIMITED

Summary of significant accounting policies and other explanatory information for the year ended
31 March 2022

1. Nature of principal activities

Sylvanus Properties Limited ("the Company") was incorporated on 25 June 2006 and is engaged in the business of real estate and other related and ancillary activities. The Company is domiciled in India and its registered office is situated at M-62 and 63, First Floor, Connaught Place, New Delhi – 110001. The company is involved in developing a project - "Indiabulls Golf City" located at Khalapur District, Maharashtra.

2. General information and statement of compliance with Ind AS

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards as notified under section 133 of the Companies Act 2013 ('the Act') - read with the Companies (Indian Accounting Standards) Rules 2015 (by Ministry of Corporate Affairs ('MCA')), as amended and other relevant provisions of the Act.

The Company has uniformly applied the accounting policies during the periods presented except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The financial statements for the year ended 31 March 2022 were authorized and approved for issue by the Board of Directors on 24 May 2022. The revisions to the financial statements are permitted by the Board of Directors after obtaining necessary approvals or at the instance of regulatory authorities as per provisions of the Act.

Recent accounting pronouncements:

The Ministry of Corporate Affairs (MCA) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On 23 March 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, as below.

Ind AS 16, *Property Plant and equipment* – The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognized in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment. The effective date for adoption of this amendment is annual periods beginning on or after 01 April 2022. The Company has evaluated the amendment and there is no impact on its *financial statements*.

Ind AS 37, *Provisions, Contingent Liabilities and Contingent Assets* – The amendment specifies that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The effective date for adoption of this amendment is annual periods beginning on or after 01 April 2022, although early adoption is permitted. The Company has evaluated the amendment and the impact is not expected to be material.

3. Basis of accounting

The financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. Further, the financial statements have been prepared on historical cost basis except for certain financial assets and financial liabilities and share based payments which are measure at fair values as explained in relevant accounting policies. Fair valuations related to financial assets and financial liabilities are categorised into level 1, level 2 and level 3 based on the degree to which the inputs to the fair value measurements are observable.

4. Estimation of impact on financial statements relating to the global health pandemic from covid-19:

The management has made an assessment of the impact of COVID-19 on the Company's operations, financial performance and position for the year ended 31 March 2022 and has concluded that the impact is primarily on the operational aspects of the business. In making the assessment management has considered the recoverability of trade receivables, investment and other assets and also considered the external and internal information available up to the date of approval of these financial statements including status of existing and future customer orders, cash flow projections etc. and concluded that there is no significant impact which is required to be recognized in the financial statements. Accordingly, no adjustments have been made to the financial statements.

Summary of significant accounting policies and other explanatory information for the year ended
31 March 2022

5. Summary of significant accounting policies

The financial statements have been prepared using the significant accounting policies and measurement bases summarised below. These were used throughout all periods presented in the financial statements.

5.1 Current versus non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Companies Act 2013. Deferred tax assets and liabilities are classified as non-current assets and non-current liabilities, as the case may be.

5.2 Revenue recognition

Revenue is recognised when control is transferred and is accounted net of rebate and taxes. The Company applies the revenue recognition criteria to each nature of the revenue transaction as set out below.

Revenue from sale of properties

Revenue from sale of properties is recognized when the performance obligations are essentially complete and credit risks have been significantly eliminated. The performance obligations are considered to be complete when control over the property has been transferred to the buyer i.e. offer for possession (possession request letter) of properties have been issued to the customers and substantial sales consideration is received from the customers.

The Company considers the terms of the contract and its customary business practices to determine the transaction price. The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring property to a customer, excluding amounts collected on behalf of third parties (for example, indirect taxes). The consideration promised in a contract with a customer may include fixed consideration, variable consideration (if reversal is less likely in future), or both.

For each performance obligation identified, the Company determines at contract inception whether it satisfies the performance obligation over time or satisfies the performance obligation at a point in time. If an entity does not satisfy a performance obligation over time, the performance obligation is satisfied at a point in time. A receivable is recognised by the Company when the control is transferred as this is the case of point in time recognition where consideration is unconditional because only the passage of time is required.

When either party to a contract has performed, an entity shall present the contract in the balance sheet as a contract asset or a contract liability, depending on the relationship between the entity's performance and the customer's payment.

The costs estimates are reviewed periodically and effect of any change in such estimate is recognized in the period such changes are determined. However, when the total estimated cost exceeds total expected revenues from the contracts, the loss is recognized immediately.

Revenue from real estate properties advisory and management services

Income arising from real estate properties advisory services is recognised in the period in which the services are being rendered. The Company considers the terms of the contract and its customary business practices to determine the transaction price. The consideration promised in a contract with a customer may include fixed consideration, variable consideration (if reversal is less likely in future), or both.

Profit on sale of investment with underlying business

Profit on sale of investments of entities in the real estate business is recognised in the year in such investments are sold after adjusting the consideration received with carrying value of investment. The said profit is recognised as part of other operating income as in substance, such sale reflects the sale of real estate business.

Dividend income

Dividend income is recognised at the time when right to receive the payment is established, which is generally when the shareholders approve the dividend.

SYLVANUS PROPERTIES LIMITED

Summary of significant accounting policies and other explanatory information for the year ended
31 March 2022

Interest income

Interest income is recorded on accrual basis using the effective interest rate (EIR) method.

Gain on amortised cost financial assets

Gain on de-recognition of amortised cost financial assets is recognised in the year when the entire payment is received against the outstanding balance of amortised cost financial assets.

5.3 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is necessary to complete and prepare the asset for its intended use or sale. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the statement of profit and loss as incurred.

5.4 Property, plant and equipment (PPE)

Recognition and initial measurement

Property, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognised in statement of profit and loss as incurred.

Subsequent measurement (depreciation and useful lives)

Depreciation on property, plant and equipment is provided on the straight-line method, computed on the basis of useful lives (as set out below) prescribed in Schedule II to the Companies Act, 2013.

Asset class	Useful life
Building – temporary structure	1 years
Plant and machinery	15 years
Office equipment	5 years
Computers	3 years
Furniture and fixtures	10 years
Vehicles	8 years

The residual values, useful lives and method of depreciation of are reviewed at the end of each financial year.

De-recognition

An item of property, plant and equipment initially recognised is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognised in statement of profit and loss when the asset is derecognised.

5.5 Intangible assets

Recognition and initial measurement

Intangible assets (softwares) are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

Subsequent measurement (amortisation)

The cost of capitalized software is amortized over a period four years from the date of its acquisition.

SYLVANUS PROPERTIES LIMITED

Summary of significant accounting policies and other explanatory information for the year ended
31 March 2022

5.6 Impairment of non-financial assets

At each reporting date, the Company assesses whether there is any indication that an asset may be impaired, based on internal or external factors. If any such indication exists, the recoverable amount of the asset or the cash generating unit is estimated. If such recoverable amount of the asset or cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If, at the reporting date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount. Impairment losses previously recognized are accordingly reversed in the Statement of Profit and Loss.

5.7 Foreign currency

Functional and presentation currency

The financial statements are presented in Indian Rupee ('INR' or '₹') which is also the functional and presentation currency of the Company.

Transactions and balances

Foreign currency transactions are recorded in the functional currency, by applying to the exchange rate between the functional currency and the foreign currency at the date of the transaction.

Foreign currency monetary items are converted to functional currency using the closing rate. Non-monetary items denominated in a foreign currency which are carried at historical cost are reported using the exchange rate at the date of the transaction.

Exchange differences arising on monetary items on settlement, or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the Statement of Profit and Loss in the year in which they arise.

5.8 Financial instruments

Non-derivative financial assets

Recognition and initial measurement

All financial assets are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial asset is also adjusted.

Subsequent measurement

- i. **Debt instruments at amortised cost** – A 'debt instrument' is measured at the amortised cost if both the following conditions are met:
 - The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
 - Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

- ii. **Equity investments** – All equity investments in scope of 'Ind AS 109 Financial Instruments' ('Ind AS 109') are measured at fair value. Equity instruments which are held for trading are generally classified as at fair value through profit and loss (FVTPL). For all other equity instruments, the Company decides to classify the same either as at fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL).

SYLVANUS PROPERTIES LIMITED

Summary of significant accounting policies and other explanatory information for the year ended
31 March 2022

- iii. **Mutual funds** – All mutual funds in scope of Ind AS 109 are measured at fair value through profit and loss (FVTPL).

De-recognition of financial assets

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

Non-derivative financial liabilities

Recognition and initial measurement

All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted.

Subsequent measurement

Subsequent to initial recognition, financial liabilities are measured at amortised cost using the effective interest method.

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Derivatives

The Company has entered into certain forward (derivative) contracts to hedge risks. These derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period. Any profit or loss arising on cancellation or renewal of such derivative contract is recognised as income or as expense for the period.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

5.9 Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets. The Company factors historical trends and forward looking information to assess expected credit losses associated with its assets and impairment methodology applied depends on whether there has been a significant increase in credit risk.

Trade receivables

In respect of trade receivables, the Company applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

SYLVANUS PROPERTIES LIMITED

Summary of significant accounting policies and other explanatory information for the year ended
31 March 2022

Other financial assets

In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses. The Company assumes that the credit risk on a financial asset has not increased significantly since initial recognition, if the financial asset is determined to have low credit risk at the balance sheet date.

5.10 Inventories

Land other than that transferred to real estate projects under development is valued at lower of cost or net realizable value.

Real estate project under development includes cost of land under development, internal and external development costs, construction costs, and development/construction materials, borrowing costs and related overhead costs and is valued at lower of cost or net realizable value.

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs of necessary to make the sale.

5.11 Income taxes

Tax expense recognized in Statement of Profit and Loss comprises the sum of deferred tax and current tax except the ones recognized in other comprehensive income or directly in equity.

Current tax is determined as the tax payable in respect of taxable income for the year and is computed in accordance with relevant tax regulations. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Deferred tax is recognised in respect of temporary differences between carrying amount of assets and liabilities for financial reporting purposes and corresponding amount used for taxation purposes. Deferred tax assets on unrealised tax loss are recognised to the extent that it is probable that the underlying tax loss will be utilised against future taxable income. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside statement of profit and loss is recognised outside Statement of Profit or Loss (either in other comprehensive income or in equity).

5.12 Cash and cash equivalents

Cash and cash equivalents comprise cash on hand, demand deposits and other short-term highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

5.13 Provisions, contingent liabilities and contingent assets

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

SYLVANUS PROPERTIES LIMITED

Summary of significant accounting policies and other explanatory information for the year ended
31 March 2022

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognized nor disclosed. However, when realization of income is virtually certain, related asset is recognized.

5.14 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

5.15 Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the related disclosures.

Significant management judgements

Recognition of deferred tax assets – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized.

Evaluation of indicators for impairment of assets – The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

Recoverability of advances/receivables – At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit losses on outstanding receivables and advances.

Provisions – At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.

Significant estimates

Useful lives of depreciable/amortisable assets – Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utilisation of assets.

Defined benefit obligation (DBO) – Management's estimate of the DBO is based on a number of underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

Fair value measurements – Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

Earnings per share (EPS)

The Company's Earnings per Share ("EPS") is determined based on the net profit attributable to the shareholders. Basic earnings per share is computed using the weighted average number of shares outstanding during the year. Diluted earnings per share is computed using the weighted average number of common and dilutive common equivalent shares outstanding during the year including share options, except where the result would be anti-dilutive.

The following reflects the income and share data used in the basic and diluted EPS computations:

	31 March 2022	31 March 2021
Loss attributable to equity holders for basic earnings	(8,060.43)	(3,835.07)
Loss attributable to equity holders adjusted for the effect of dilution	(8,060.43)	(3,835.07)
Weighted average number of Equity shares for basic EPS*	1,00,00,000	1,00,00,000
Weighted average number of Equity shares for basic/diluted EPS*	1,00,00,000	1,00,00,000

*No transaction is there which have impacted the calculation of weighted average number of shares. No other transaction involving Equity shares or potential Equity shares is there between the reporting date and the date of authorization of these financial statements.

Earnings per equity share (for continuing operation):

(1) Basic (₹)	(80.60)	(38.35)
(2) Diluted (₹)	(80.60)	(38.35)

Asset group	Basis of categorisation	Provision for expenses credit loss
Low credit risk	Cash and cash equivalents, other bank balances, loans and other financial assets	12 months expected credit loss/life time expected credit loss

In respect of trade receivables, the company recognises a provision for lifetime expected credit loss.

Based on business environment in which the Company operates, a default on a financial asset is considered when the counter party fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions.

Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or a litigation decided against the Company. The Company continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognised in statement of profit and loss.

Assets under credit risk –

Credit rating	Particulars	₹ in lakhs)	
		31 March 2022	31 March 2021
Low credit risk	Trade receivable, Cash and cash equivalents, other bank balances, loans and other financial assets	6,106.37	4,416.73

ii) Concentration of financial assets

The Company's principal business activities are development of real estate projects and all other related activities. The Company's outstanding receivables are for real estate project. Loans and other financial statements majorly represents inter-company loans and other advances.

b) Credit risk exposure

Provision for expected credit losses

The Company provides for 12 month expected credit losses for following financial assets –

As at 31 March 2022

Particulars	Estimated gross carrying amount	Expected credit losses	₹ in lakhs)
			Carrying amount net of impairment provision
Cash and cash equivalents	50.41	-	50.41

Other financial assets	23.44	-	23.44

Expected credit loss for trade receivables under simplified approach

In respect of trade receivables, the Company considers provision for lifetime expected credit loss. Given the nature of business operations, the Company's trade receivables does not have any expected credit loss as transfer of legal title of properties sold is generally passed on to the customer, once the Company receives the entire consideration and hence, these are been considered as low credit risk assets. Further, during the periods presented, the Company has made no write-offs of trade receivables.

B) Liquidity risk

The company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The company has no outstanding bank borrowings. The company believes that the working capital is sufficient to meet its current requirements. Company also have an option to arrange funds by taking loans and borrowing from Holding Company/Ultimate Holding Company/Fellow Subsidiary company. Accordingly no liquidity risk is being perceived.

Notes

1. These financial assets are mandatorily measured at fair value through profit and loss.
2. These financial assets represent investments in equity instruments designated as such upon initial recognition.

B) Fair value measurements

(i) Fair value hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data rely as little as possible on entity specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

Company does not have any financial assets and financial liabilities that are required to be measured at fair value so no analysis has been shown for fair value measurements.

iii) Financial instruments measured at amortised cost

For amortised cost instruments, carrying value represents the best estimate of fair value.

iii) Risk Management

The Company's activities expose it to the liquidity risk and credit risk. The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

A) Credit risk

Credit risk is the risk that a counterparty fails to discharge its obligation to the Company. The Company's exposure to credit risk is influenced mainly by cash and cash equivalents, trade receivables and financial assets measured at amortised cost. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls.

a) Credit risk management

i) Credit risk rating

The Company assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

A: Low credit risk

Employee benefits

Defined contribution plan

The Company has made ₹ 1.02 lakhs (31 March 2021: ₹ 0.81 lakhs) contribution in respect of provident fund.

Defined Benefit Plan

The Company has the following Defined Benefit Plans:

- Gratuity (Unfunded)
- Compensated absences (Unfunded)

Risks associated with plan provisions

Discount rate risk	Reduction in discount rate in subsequent valuations can increase the plan's liability.
Mortality risk	Actual death & liability cases proving lower or higher than assumed in the valuation can impact the liabilities.
Salary risk	Actual salary increase will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.
Withdrawal risk	Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.

Compensated absences

The leave obligations cover the Company's liability for sick and earned leaves. The amount of provision of ₹ 2.53 lakhs (31 March 2021: ₹ 2.17 lakhs) is presented as current, since the Company does not have an unconditional right to defer settlement for any of these obligations. However based on past experience, the Company does not expect all employees to take the full amount of accrued leave or require payment within the next 12 months, therefore based on the independent actuarial report, only a certain amount of provision has been presented as current and remaining as non-current.

Provident Fund

Pursuant to recent judgement by the Hon'ble Supreme Court of India dated 28 February 2019, it was held that basic wages, for the purpose of provident fund, to include allowances which are common for all employees. However, there is uncertainty with respect to the applicability of the judgement and period from which the same applies and accordingly, the Company has not provided for any liability on account of this.
