## Project location

# Planned launch – 22 Hanover Square, London

Located in Mayfair, an area bounded by Piccadilly, Park Lane, Oxford Street and Regent Street, in London's West End is one of the world's most exclusive business, residential and leisure districts.

Acquired in July 2014 from the Scottish Widows Investment Partnership in an auction for GBP 155m

As part of change of policy from Sept-2015, Westminster City Council will not allow change of use from office to residential unless in exceptional circumstances. On this basis, the planning permission at 22 Hanover Square (received Oct-2015) is very valuable as the last remaining major residential schemes in Mayfair. CBRE, have pegged the residual market price at GBP 230 million

Proposed scheme comprises of 86 apartments of avg 880 sqft, 51 hotel rooms with all amenities (60,000 sq ft) of leisure facilities, retail and restaurant space facing onto Hanover Square.

The residential apartments will be serviced and managed by the luxury hotel in the building.

Launch in FY 2017

Thank you
