### **Forward-looking statement**

In this Annual Report, we have disclosed forward-looking information to enable investors to comprehend our prospects and take investment decisions. This report and other statements - written and oral - that we periodically make, contain forward-looking statements that set out anticipated results based on the management's plans and assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipate', 'estimate', 'expects', 'projects', 'intends', 'plans', 'believes' and words of similar substance in connection with any discussion of future performance.

We cannot guarantee that these forward-looking statements will be realised, although we believe we have been prudent in assumptions. The achievements of results are subject to risks, uncertainties and even inaccurate assumptions. Should known or unknown risks or uncertainties materialise or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated or projected. Readers should keep this in mind. The information and disclosures made in this Annual Report are as on the date of respective report/ document and we undertake no obligation to publicly update any forward looking statements, whether as a result of new information, future events or otherwise.

Company's land bank and Company's project means the consolidated land bank and project of the Company as consolidated entity along with all its subsidiaries.

## CHAIRMAN’S MESSAGE

### Dear Shareholders,

Over the last several years, Real Estate sector has gone through transformational changes like RERA, GST, and the recent credit slowdown by the Non Banking Financial Company (NBFC) and Housing Finance Companies (HFC) has put a lot of stress in the sector. Despite the adverse environment, your company had robust collections exceeding ₹ 2,600 crores for the year. We also delivered 9.7 million sqft across various projects in Mumbai and NCR. Just as One Indiabulls Centre created the benchmark for Office development in Mumbai, Blu Estate & Club has created a new benchmark for uber-luxury living in the heart of the city – Worli.

Commercial Real Estate is quite robust, and your projects have 98% occupancy. Even on the Residential side, all indicators are pointing towards end of the down-cycle. The transformational changes in the sector (RERA, GST) coupled with the recent credit slowdown has constrained the available supply. At the same time, affordability is at multi-year high, and home mortgage rates are at a multi-year low leading to higher demand. These changes have polarized the industry, and the organized/established players stand to benefit with higher market share.

Government has embarked on an audacious mission to grow India into a \$5 trillion economy by 2024, and Real Estate is expected to contribute 13% to the GDP. At the same time, Institutional investments in Real Estate has seen a quantum jump from ₹ 46,500 crores in 2009-2013 to ₹ 140,000 crores in 2014-2018. The Government initiatives coupled with huge Institutional capital inflows will provide a further impetus to the sector.

## CHAIRMAN'S MESSAGE (Contd..)

### Zero Net Debt in FY20

Your Company has embarked on a clear and simple path to achieve Zero Net Debt in FY 20 through the following steps –

- Unlock the value of 'Commercial and Leasing' business by divesting these assets with Third Party Investors/ internationally renowned Private Equity players. The expected Equity Value would be ~ ₹ 4,400 Cr - ₹ 4,800 Cr.
- In light of continuing Brexit related issues and uncertainty around it, the London property market remains sluggish. Your company will divest the Hanover Square property, London, and the sale would release an Enterprise Value of £ 200 million.

The above steps will generate over ₹ 6,000 Cr, thereby reducing the Net Debt of your Company to Zero in FY 20, and leaving surplus cash for further growth of the Company.

### Growth Strategy

Your Company will focus on its core markets - Mumbai Metropolitan Region & National Capital Region for sustainable growth, and strengthening of its on-going businesses.

- It will routinely sell the under construction office properties to Investors, and deploy those funds to acquire additional land parcels/unfinished projects for further development.
- Your company will focus on asset light model through JV development with land owners/other developers without incurring significant upfront land acquisition cost.
- Your company has an unexploited fully paid Land Bank of 1,929 acres, and is spread across Mumbai, NCR, Chennai, and additional 1,424 acres of Nashik SEZ. The land bank has the growth potential for Development & Rental portfolio worth atleast ₹ 5,000 Cr on replacement value basis.
- Execution of ongoing & planned projects would generate a Net Surplus of ₹ 12,907 Cr. This excludes all the projects and assets that will be sold in FY 20.

### Performance highlights: Sustaining growth momentum

In the year gone by, your Company has continued a commendable financial and operational performance. It gives me immense pleasure to convey the performance highlights for 2018-19 as follows:

- Total Revenues ₹ 5,223 Crores
- Profit after Tax (PAT) ₹ 504 Crores

### Best Practices

Your company employs best-in-class practices in Construction Technology (Aluform, Jumpform) to provide superior quality and strength to the buildings. Our project management teams apply the standard practices across projects, and in FY 19 we delivered 9.7 million sqft across various projects – Blu Estate & Club (Worli), Indiabulls Greens (Panvel), Indiabulls Golf City (Savrolli), Centrum Park (Gurgaon), Enigma (Gurgaon), and Mega Mall (Jodhpur).

Each of our projects enjoy a distinct infrastructure advantage in the micro-market. They are benefitting from the Government push on the various infrastructure projects like Mumbai Metro, Dwarka Expressway, Trans-Harbour sea link, Navi Mumbai International Airport, etc.

## CHAIRMAN'S MESSAGE (Contd..)

### **Our commitment and trust**

We always pursue and attempt to do better for your Company. Despite the adverse market conditions, your company aims to get to Zero Net Debt in FY 20. Your Company also has clear path of growth through its huge pipeline of Existing Projects, Planned Projects, and Land bank. It also aims to harness the lucrative development opportunities, which are now available for larger organized developers, through the asset light JV development model.

Finally, I express my gratitude to our employees for their consistent, committed and dedicated efforts in achieving the objectives of the Company and for their engagement in our challenging journey. Also, I am thankful to our valued shareholders, bankers and all business associates for their continuous faith and support for accompanying us in our exciting journey.

Thank you!

### Disclosures on Managerial Remuneration

Details of remuneration as required under Rule 5.1 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, as amended, are as under:

**1. Ratio of the remuneration of each director to the median employees' remuneration, for FY 2018-19**

Name and Designation	Ratio of remuneration to the median employees' remuneration
Vishal Damani	99:1
Gurbans Singh	189:1

**2. Percentage increase in remuneration of each director and Key Managerial Personnel, in FY 2018-19**

Name and Designation	Increase in Remuneration (%)
Company Secretary	12%

*No remuneration was paid to any Director(s), from the Company, during the Financial Year 2017-18, hence percentage increase in remuneration not forming part of this clause. No remuneration was paid to any other KMP(s), from the Company, during the Financial Year 2018-19.*

**3. The percentage increase in the median remuneration of employees in the FY 2018-19**

The percentage increase in the median remuneration of all the employees (including KMP(s), if any), computed on the basis of median remuneration for FY 2017-18 and FY 2018-19 was 18.46%.

**4. Number of permanent employees on the rolls of Company**

The Company had 22 permanent employees on its rolls, as of March 31, 2019.

**5. Average percentile increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration**

The average percentile increase made in the salaries of total employees other than the key managerial personnel, for FY 2018-19 is 11.70%, while the average increases in the remuneration of key managerial personnel is 11.97%. The Company's approach to remuneration is intended to drive meritocracy and is linked to various parameters including its performance, growth, individual performance etc. The Company follows prudent remuneration practices under the guidance of the Board and Nomination and Remuneration Committee. There were no exceptional circumstances which warranted an increase in managerial remuneration, which was not justified, by the overall performance of the Company.

It is hereby affirmed that the aforesaid remuneration paid by the Company, is as per the Remuneration Policy for Directors, Key Managerial Personnel and other employees of the Company.

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

### ECONOMY AND INDUSTRY REVIEW

India continued to enjoy robust growth in first half of FY19 with GDP growing by 7.6% in H1FY19, indicating a revival in investment and exports. However, second half saw a significant decline in GDP growth to 6.6% in Q3 and 5.8% in Q4 - the slowest GDP growth rate in five years. As a result, GDP growth for the full fiscal year 2019 declined to 6.8% and India lost its fastest growing economy tag. The World Bank expects India’s GDP growth to accelerate moderately in FY20.

Over the last quarter of FY19, the Foreign institutional investors [FIIs] were on the sidelines in a wait and watch mode ahead of the crucial general election, and amid reports of slowdown in global economy and waning risk appetite due to the US-China trade war. The incumbent BJP’s landslide victory in the general elections put to rest fears of political uncertainty and is likely to improve business sentiment and the outlook for private investment in the country.

Economic growth is expected to pick up, supported by recovery in investments and consumption amid a more expansionary stance of monetary policy and some expected impetus from fiscal policy. Real Estate sector is a key engine of economic growth owing to its high multiplier effect and a host of beneficial forward and backward linkages to the economy. It is the second largest employment generator; contributing 6% to India’s GDP and this contribution is expected to increase to 11% by 2020. Housing sector is undergoing a structural growth on the back of strong socio-economic and demographic factors like population growth, a young population, rising urbanisation, increasing number of dual income families, nuclearisation of families etc.

Commercial office space absorption, a lead indicator of housing demand remained robust in FY19. Office space vacancy now stands at multiyear low levels. A multi-fold increase is expected in net office space absorption, and expected to cross 100 million square feet by end of 2020 in the top eight cities of India. It continued to attract institutional investors and more than USD 1.5 bn worth of capital was deployed in the Sector in H1 2019.

The implementation of Real Estate Regulation and Development Act, 2016, [RERA] has increased transparency in the sector leading to a boost in buyer confidence. RERA is already notified by 22 states and 6 union territories, which account for 99% of the country’s population and bank credit. RERA along with the recent liquidity crisis has brought consolidation in the real estate space. Weaker players are exiting the industry & large organised developers are gaining market share. This consolidation is positive for the sector as buyers have clear visibility of delivery, boosting customer confidence.

#### OUTLOOK :

*IBREL is rightly positioned to ride the next wave of growth in the sector*

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT (Contd.)

### a) Commercial: Economic Growth is fuelling the demand

- India office market is now well above mid-cycle levels, with rents increasing across markets and absorption gaining pace towards end of FY19.
- Mumbai, NCR is expected to witness uptick in rentals over the next few years owing to increased demand for Grade A space.

### b) Residential: Green shoots emerging

- Listed Mumbai/NCR developers have been registering improvements in pre-sales over the last few quarters during FY19.
- Advent of RERA and GST has made the industry more favourable for large established players to success going forward.

### c) Positive Regulatory Framework now set up and live

- RERA: Speedy settlement of disputes. Boost foreign/domestic investment due to improved transparency.
- GST: Rationalized GST rates on Residential real estate from 12% to 5%/1%. Single, unified market with tax transparency and predictability, promoting ease of doing business and improving supply chain efficiency.
- Mumbai DP 2034: Elaborate development plan which will be the blueprint for the city's land use over the next 16 years.

### d) Accelerated Focus on Infra Development

Government has accelerated development of Key infrastructure in Mumbai & MMR -

- Mumbai Metro – various phases
- Navi Mumbai International Airport
- Mumbai Trans Harbour Link

### e) REIT Listing - Embassy-Blackstone Office Parks REIT listing has propelled REIT as a commercial realty investment product, giving developers additional monetization options.

### f) Affordability

- Affordability levels in residential real estate at a six-year high.
- Home mortgage rates are still at multi-year low.
- Developers have reduced unit configurations to smaller sizes.

### g) Demand

- Customer preference has moved to completed properties.
- Developers having good track record of on-time deliveries, are able to perform with under construction and ready product sales.

### h) Housing For All

- Increased investment outlays
- Boost foreign/domestic investment due to improve transparency

### COMPETITIVE STRENGTHS:

#### Ratings

The Company has, during FY 2018-19, maintained its long term credit rating of AA-, amongst the highest rated listed companies in the Indian real estate industry peer group. The Company has also retained A1+ rating for its short-term debt, which is the highest rating that can be assigned for short-term debt. The ratings are the manifestation of the Company's strong fundamentals, low gearing and execution track record and mirror its long term growth prospects.

### KEY DEVELOPMENTS

**Delivery of Key Projects:** Delivered 9.7 mn sqft with Occupation Certificate for multiple towers/projects – Blu Estate & Club (Mumbai), Indiabulls Greens (Panvel), Indiabulls Golf City (Savroli), Centrum Park (Gurgaon), Enigma (Gurgaon), and Mega Mall (Jodhpur).

#### Zero Net Debt in FY20

- Your Company has embarked on a clear and simple path to achieve Zero Net Debt in the current financial year through the following steps –
  - o Unlock the value of 'Commercial and Leasing' business – Strategic divestment of these assets with Third Party Investors/internationally renowned Private Equity players. The expected Equity Value would be ~ ₹ 4,400 Cr - ₹ 4,800 Cr.

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT (Contd.)

- o Divest Hanover Square property, London – In light of continuing Brexit related issues and uncertainty around it, the London property market remains sluggish, and the London asset divestment would release an Enterprise Value of £ 200 million.
- The above steps will generate over ₹ 6,000 Cr, thereby reducing the Net Debt of Indiabulls Real Estate to Zero in the current financial year, and leaving surplus cash for further growth of the Company.

### Growth Strategy

- Company will focus on its core markets - Mumbai Metropolitan Region & National Capital Region for sustainable growth, and strengthening of its on-going businesses.
- Regular sales from the under construction office properties to Investors, and deploy funds to acquire land parcels/unfinished projects for development.
- Company will focus on asset light model through JV development with land owners/other developers without incurring significant upfront land acquisition cost.
- Unexploited Land Bank - 1,929 acres of fully paid land spread across Mumbai, NCR, Chennai, and additional 1,424 acres of Nashik SEZ. The land bank has the growth potential for Development & Rental portfolio and worth atleast ₹ 5,000 Cr on replacement value basis.
- Current Development Portfolio - Execution of ongoing & planned projects to generate a Net Surplus of ₹ 12,907 Cr. This excludes all the projects and assets that will be sold in the current financial year (as mentioned above).

Mr. Gurbans Singh  
Joint Managing Director

The Company employs the most advanced construction equipment, cutting-edge technologies like advanced jump form technology, advanced vertical transportation system, wind tunnel engineering and also finest quality raw materials.

**High Quality Portfolio** - We built on our networks and deep rooted relationships with 200+ existing tenants and channel partners to lease out these new premises which significantly reduce re-leasing risk and existing clients have been consistently increasing their leased areas. The commercial developments have a healthy mix of front-office tenants and corporate back-office Tenants. Partnerships with global private equity investor have further augmented our ability to leverage the global tenant relationships.

Our residential portfolio is best-in-class with State-of-Art facilities.

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT (Contd.)

### OPPORTUNITIES AND RISKS

The Company believes that there are lots of opportunities in the Real Estate Sector in the face of the increased demand for Grade A office spaces & high quality residential developments. We have leveraged the opportunity by acquiring strategic brownfield projects in select micro markets. The superior locations & speed-to-market, serve as a great advantage in the current environment. Following are the key drivers:

#### Commercial Real Estate – Demand for Grade A office spaces

- Strong economic growth
- Continued growth in BFSI, IT/ITES and other key sectors
- Expanding presence by MNCs in India
- Infrastructure Development

#### Residential Real Estate

- Home Loans at attractive interest rates
- Tax incentives
- Rapid Urbanization
- Rise in number of nuclear families
- Rising disposable incomes
- Repatriation by NRI s / HNIs
- Infrastructure Development

#### Risks

In the course of its business the Company is exposed to stiff competition from other established developers in the market. In addition, it is exposed to certain market related risks, such as increase in interest rates and foreign currency rates, customer risks, changes in the government policies and unanticipated delays in project approvals. However, with the competitive advantages, as aforementioned, the Company is well posed to mitigate all such risks.

### HUMAN RESOURCES

Your Company's multi-business context poses unique challenges to the Human Resource function. The Company's businesses are managed by a team of competent and passionate leaders, capable of enhancing your Company's standing in the competitive market. The Company's employees have a defining role in significantly accelerating its growth and transformation, thereby enhancing its position as one of the largest corporate houses. The Company has a structured recruitment process. The focus is on recruiting people who have the right mindset for working at Indiabulls, supported by structured training programs and internal growth opportunities.

The Company's focus is on unlocking the people potential and further developing their functional, operational and behavioral competencies. Employee Stock Option Schemes for its employees ensures the employee participation in the growth and progress of the Company. The belief "great people create great organization" has been at the core of the Company's approach to its people.

### INTERNAL CONTROLS AND THEIR ADEQUACY

The Company has a proper and adequate system of internal controls commensurate with the size of the Company and the nature of its business to ensure that all the assets are safeguarded and protected against loss from unauthorized use or disposition and those transactions are authorized, recorded and reported correctly and adequately.

Mr. Vishal Damani  
Joint Managing Director

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT (Contd.)

The Company's internal controls are supplemented by internal audits, review by management and documented policies, guidelines and procedures. The system has been designed to ensure that financial and other records are reliable for preparing financial information and for maintaining accountability of assets. the fleet has catered to more than 27,29,300 patients in Mumbai, Thane, Raigad and Palghar districts of Maharashtra. The foundation also operates 15 state-of-the-art, free of cost medical clinics across the country, which cater to the primary and preventive healthcare needs of the marginalised sections of the society. During the year, the clinics treated more than 2,41,434 patients, and also sponsored cleft and palate surgeries of 2,000 underprivileged children across Andhra Pradesh, Telangana, Odisha, Karnataka and Kerala.

The Indiabulls Foundation is also focused on combating malnutrition, specifically among children, pregnant and lactating women. During the year, Paushtik Aahar, a nutrition supplement, was successfully distributed to over 5,40,000 individuals.

One of our flagship initiatives, Kumud addresses the health and sanitation requirements of women and adolescent girls from rural areas by providing them with a year's stock of sanitary products. Over 145,220 women including 75,000 women in the year under consideration have already benefitted from the programme.

### Rural Development

Shortage of potable water is a perennial problem for many of our rural citizens. During the year, Indiabulls Foundation continued its 'Water Wheel' initiative and distributed 1,840 water wheels to underprivileged tribals residing in Raigad, Palghar and Thane districts of Maharashtra, thereby benefitting more than 10,000 villagers. Indiabulls Foundation also implemented a pilot project by constructing 5 roof-top rain water harvesting storage tanks in the Mokhada taluka of Palghar district. Each of these tanks has a capacity of storing 10,000 litres of water and is expected to provide a perennial supply of water for almost 3,990 people.

### Skill Development

The Indiabulls Foundation is committed to building an inclusive India by skilling the underprivileged and creating sustainable livelihood opportunities for them. In the current financial year, Indiabulls Foundation not only skilled 542 women and men between the ages of 18-30 in multiple domains but also helped them in securing jobs. Till date, 1,417 people have benefitted from our skilling initiatives.

### Disaster Relief

As you are aware, during the year, Kerala suffered from one of the worst floods in a century displacing over a million people. The Indiabulls Foundation distributed relief material to over 30,000 affected people in Kerala.

### Education

The Indiabulls Foundation Scholarship Program encourages children from economically challenged backgrounds to pursue higher education. 257 students were awarded scholarships in this financial year taking the total tally to 1,133 students since inception.

## SECTION E: PRINCIPLE-WISE PERFORMANCE

### Principle 1: Business should conduct and govern themselves with ethics, transparency and accountability

#### Ethics, Transparency, Accountability

Ethics, transparency and personal accountability form the core values of the Company. It focuses on high standards of corporate governance, in the conduct of its business. It has zero-tolerance for bribery and corruption and strives to build and maintain relationships with its lenders, borrowers, shareholders and other stakeholders in a fair, transparent and professional manner.

The Company adheres to all applicable governmental and regulatory rules in order to ensure complete transparency and accountability in all business practices. Any and all breaches of Company guidelines are viewed very seriously by Management, who ensures that appropriate disciplinary action is taken.

The Company has constituted various committees such as: Audit Committee, Nomination and Remuneration Committee, Stakeholders Relationship Committee, Compensation Committee, Corporate Social Responsibility Committee, Operations Committee & Risk Management Committee. These committees meet periodically to supervise, review and advice on the relevant/respective matters.

The Company is committed to conducting all aspects of its business in keeping with the highest legal and ethical standards and expects all employees and other persons acting on its behalf to uphold this commitment. In accordance with this commitment, the Company has adopted Anti-Corruption Compliance Policy, which is applicable to all directors, officers, employees, agents, representatives and other associated persons of the Company. In brief, the Company will not tolerate bribery, kickbacks, or corruption of any kind, directly or through third parties, whether or not explicitly prohibited by this Policy or by law. Company Personnel are not permitted to give or offer anything of value (including gifts, hospitality, or entertainment) to anyone for the purpose of improperly obtaining or retaining a business advantage. Similarly, Company Personnel may not solicit or accept such improper payments.

#### Code of Conduct

With the objective of enhancing the standards of governance, the Company has formulated and adopted Code of Conduct & Ethics for its Board Members and Senior Management team. The Code is placed on the website of the Company, which provides for ethical, transparent and accountable behavior by its Directors and Senior Management team.

The Company lays utmost importance on integrity while recruiting employees. The Employee Code of Conduct provides the framework within which the Company expects its business operations to be carried out and lays down the standards

## BUSINESS RESPONSIBILITY REPORT

and principles, to be followed by all its employees. Failure to comply with the Code leads to disciplinary action, including dismissal from the services of the Company.

All employees are handed over a copy of the Employee Code of Conduct on their first day of joining the Company, as a part of the employee joining kit. Additionally, the contents of the Code of Conduct are also shared in detail with the employees through a specific module that forms part of the HR session during the employee induction training programme.

The Company has also formulated and adopted various other codes and policies including Code of Practices and Procedures for Fair Disclosure of Unpublished Price Sensitive Information, policy on Protection of Women Against Sexual Harassment at Workplace, Code of Conduct for Prevention of Insider Trading etc, in terms of laws applicable to its business, which are applicable to all its employees / directors for enforcement of ethical conduct from a governance, regulatory and risk management perspective.

The Code of Conduct and other policies adopted by the Company applies to the employees of the Company and that of its subsidiary companies. In addition, the Company has a Whistle Blower Policy through which the Company seeks to provide a mechanism for its employees, directors, vendors or customers to disclose any unethical and/or improper practice(s) suspected to be taking place in the Company for appropriate action and reporting. Further, no employee was denied access to the Audit Committee and all disclosures are reported to the Chairman of the Audit Committee. The Code of Conduct and the Whistle Blower Policy are uploaded on the Company's website – <https://www.indiabullsrealstate.com>.

### Stakeholder Complaints

The Company is committed to providing effective and prompt service to all its stakeholders. The central operations team along with the call center records and redresses grievances and feedback from customers. Complaints and grievances are addressed in a time-bound manner. Regular analysis of customer issues is conducted and where required corrective measures are taken in the Company's processes.

Designated customer care personnel are responsible for ensuring efficient and effective resolution of complaints within the prescribed turnaround time. All complaints are centrally monitored at the Head Office by the Operations and/or customer care team.

The Company has in-built grievance redressal and escalation mechanism wherein complaints are escalated to the level of Head Customer Care and Operations/Business/Sales Head(s).

The Company has not yet received any incidence / complaint of Whistle Blower or code of conduct & ethics.

During the year 2018-19, the Company received 16 shareholders' complaints and disposed off the same satisfactorily during the respective quarters in which these were received. Customer complaints are addressed in the normal course of business by a dedicated team of Customer Services personnel. The Company submits a periodic status of complaints received, redressed and outstanding from its stakeholders along with the nature of complaints and their mode of redressal to the Board constituted Stakeholders Relationship Committee and the statement of all such complaints and their status are also placed before Board.

### Principle 2: Businesses should provide goods and services that are safe and contribute to sustainability throughout their life cycle

Given the nature of our business, the Company could consider two "products". One "product" is a unit developed by the Company for sale and the other "product" is the completed building which is leased. For both the "products", the Company inter alia, has implemented solid waste management technology to re-cycle house garbage into manure used for horticulture. The Company has commissioned state of the art sewage treatment plants which treat and re-cycle waste water for reusing in horticulture and toilets. The Company disposes some of the construction waste as a scrap to get them recycled and re-use the same in construction works. The Company is generally using Aerated Concrete blocks (ACC) instead of clay burnt bricks in "product" construction thus preventing the depletion of soil strata.

### Environmental Standards

The Company continuously aims to reduce the impact on environment by optimizing the usage of various resources. The Company works at minimizing its carbon footprint and there is particular focus on reduced resource usage. The

## BUSINESS RESPONSIBILITY REPORT (Contd.)

Company has been able to reduce energy consumption by using star rated appliances where possible and also through the replacement of CFL lights with LED lights. Monitoring resource usage, improved process efficiency, reduced waste generation and disposal costs have also supported the cause.

The Company has in place an Environmental Management Systems (EMS) that helps assess the environmental cost of the Company's services and activities, and seeks to reduce or eliminate the negative impact and increase their positive effects.

The Company continues to explore collaboration with contractors/partners that ensure conservation of energy and resources. On this front, the Company promotes the use of innovative technologies such as green buildings and other energy efficient measures for construction of their projects.

### Resource Savings

## INDEPENDENT AUDITOR'S REPORT

### To the Members of Indiabulls Real Estate Limited Report on the Audit of the Consolidated Financial Statements

#### Opinion

1. We have audited the accompanying consolidated financial statements of Indiabulls Real Estate Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group') and joint ventures, which comprise the Consolidated Balance Sheet as at 31 March 2019, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements and on the other financial information of the subsidiaries, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the consolidated state of affairs (consolidated financial position) of the Group as at 31 March 2019, and its consolidated profit (consolidated financial performance including other comprehensive income), its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

#### Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained by the other auditors in terms of their reports referred to in paragraph 16 of the Other Matter section below, is sufficient and appropriate to provide a basis for our opinion.

#### Emphasis of Matter

4. We draw attention to Note 41 (II) to the consolidated financial statements for the year ended 31 March 2019 and the following Emphasis of Matter given by other auditor in their audit report dated 22 April 2019:

The Group has restated its financial statements as at 1 April 2017 with a corresponding impact as at 31 March 2018 as per the principles of Ind AS 8 for foreseeable losses in respect of one of its project. Our opinion is not modified with respect to this matter.

#### Key Audit Matters

5. Key audit matters are those matters that, in our professional judgment and based on the consideration of the reports of the other auditors on separate financial statements and on the other financial information of the subsidiaries, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
6. We have determined the matters described below to be the key audit matters to be communicated in our report:

Key audit matter	How our audit addressed the key audit matter
<p><b>Revenue recognition</b></p> <p>The Group’s policies on revenue recognition is set out in Note 5.3 to the consolidated financial statements.</p> <p>Effective 1 April 2018, the Group has adopted Ind AS 115 “Revenue from Contracts with Customers” using the full retrospective transition method. As per the principles of Ind AS 115, revenue from sale of residential/commercial properties is recognized when the performance obligations are essentially complete and credit risks have been significantly eliminated.</p>	<p>Our audit procedures related to the revenue recognition included, but not limited to the following:</p> <ul style="list-style-type: none"> <li>• Assessed the applicability of Ind AS 115 in consonance with applicability of relevant laws specific to real estate;</li> <li>• Evaluated the appropriateness of the Group’s revenue recognition policies with respect to the principles of Ind AS 115;</li> <li>• Enquiring from the management and inspecting the internal controls related to revenue recognition for ensuring the completeness of the customer sales, issue of possession letters and the recording of customer receipts;</li> </ul>
<p>The performance obligations are considered to be complete when control over the property has been transferred to the buyer i.e. offer for possession of properties have been issued to the customers. Further, management considers that credit risks to have been significantly eliminated when substantial sales consideration is received from the customers.</p> <p>The amount of revenue and cost thereon on contracts with customers forms a substantial part of the consolidated statement of profit and loss and management judgement is also involved in the interpretation of these conditions. Further, there are material changes to various captions of the financial statements (as explained in note 41 (I)) on transition to Ind AS 115, including the change from percentage of completion method to point in time recognition of revenue recognition.</p> <p>Considering this shift in the revenue recognition principles and its significant impact on the consolidated financial statements of the Group, it has been considered as a key audit matter in the current year.</p>	<ul style="list-style-type: none"> <li>• Assessed the impact of change in policy from percentage of completion method to point in time recognition in previous periods as the Group has adopted full retrospective approach and accordingly, restated the previous periods. For this assessment, we have ensured the followings : <ul style="list-style-type: none"> <li>a. Verification of the possession letters issued on sample basis along with the proof of deliveries to ensure completeness;</li> <li>b. Verification of the collection from customers for the units sold from the statement of accounts on a sample basis to ensure receipt of substantial sales consideration; and</li> <li>c. Performing cut-off procedures and other analytical procedures like project wise variance analysis and margin analysis to find any anomalies.</li> </ul> </li> <li>• Ensured that the disclosure requirements of Ind AS 115 have been complied with.</li> </ul>
<p><b>Accounting for sale of stake in a subsidiary</b></p> <p>The Group’s policies on the accounting for sale of investments is set out in Note 5.3 to the consolidated financial statements.</p> <p>During the year, the Group has executed definitive agreement to divest 100% stake in tranches in one of its wholly owned subsidiary, Indiabulls Infrastructure Limited and as part of said transaction, the Group has divested partial stake (through sale and buy back) in the said subsidiary, which has resulted in loss of control.</p>	<p>Our procedures in relation to the accounting for sale of stake in subsidiary included, but not limited to the followings :</p> <ul style="list-style-type: none"> <li>• Understood the nature of transaction i.e. understanding of the contract terms of multiple agreements with respect to the sale and assessing the proposed accounting treatment in relation to the accounting policies and relevant Ind AS;</li> <li>• Reviewed the management’s process for review and implementation of such transactions;</li> <li>• Tested the completeness and accuracy of the data used in the computation of profit on sale of investments, gain on fair valuation of the remaining stake;</li> </ul>

Key audit matter	How our audit addressed the key audit matter
<p>Above loss of control accounting as per Ind AS 103, resulted in recognition of profit on sale of investments amounting to ₹ 1,414.67 lakhs, as presented under the Note 30 in the consolidated financial statements.</p> <p>As at 31 March 2019, remaining stake amounting to ₹ 34,706.36 lakhs is classified as ‘Investments held for sale’ and presented under the Note 20 in the consolidated financial statements.</p> <p>The above transaction required audit focus due to complex contractual terms, multiple agreements (judgement involved) and the significant impact on consolidated financial statement, the matter has been considered to be of most significance to the audit and accordingly, has been considered as a key audit matter for the current year audit.</p>	<ul style="list-style-type: none"> <li>• Ensured that the fair value of the remaining stake, both for initial and subsequent measurement, has been appropriately computed, based on the multiple sale agreements; and</li> <li>• Ensured appropriate disclosures in the consolidated financial statements with respect to sale of stake in the subsidiary.</li> </ul>
<p><b>Valuation of investments held by joint venture entities in optionally convertible preference shares</b></p> <p>The Group’s policies on the valuation of investments is set out in Note 5.11 to the consolidated financial statements.</p> <p>At the balance sheet date 31 March 2019, two joint ventures of the Group held ₹ 104,828.00 lakhs of investments in optionally convertible preference shares of one of the subsidiary of the Group which are carried at fair value through profit and loss in the standalone financial statements of the joint venture entities. Any changes in estimates, assumptions and judgements involved may result in material changes in the valuation of investment and hence it required significant audit attention.</p> <p>The Group accounts for investment in joint venture entities as per the equity method. The carrying amount of the investment is adjusted for the post acquisition change in the share of net assets of the investee. The consolidated statement of profit and loss (including the other comprehensive income) includes the Group’s share of the profit/loss of the operations of the investee. Hence, any change in the fair value of the investment in optionally convertible preference shares in the standalone financial statements of the joint ventures will result in a change in the profit/loss pick up in consolidated financial statements.</p> <p>The management’s valuation, carried out by an independent valuer on behalf of the management, is dependent upon the market conditions, which can be difficult to predict and be influenced by economic and other factors.</p>	<p>Our procedures in relation to the valuation of Investments held by Joint Venture Entities included, but not limited to the followings :</p> <ul style="list-style-type: none"> <li>• Understood the nature of transaction i.e. understanding the approach used for valuation and assessing the proposed accounting treatment in relation to the accounting policies and relevant Ind AS;</li> <li>• Enquired of the management and inspected the internal controls related to completeness of the list of investment along with the process followed to recover/adjust these;</li> <li>• Assessing the reasonableness of cash flows projection, challenging and performing audit procedures on management’s assumptions; We challenged the management on the underlying assumptions used for the cash flow projections, considering evidence available to support these assumptions and our understanding of the business;</li> <li>• Evaluating the management’s independent professional valuer’s competence, capabilities and objectivity;</li> <li>• Involved valuation specialists to review the process used by the management to determine estimates and to test the judgments applied by management in developing the accounting estimates;</li> <li>• Testing the mathematical accuracy of the cash flows projection; and</li> <li>• Ensured that the disclosure requirements of accounting standards have been complied with.</li> </ul>

Key audit matter	How our audit addressed the key audit matter
<p>Any errors or changes in the management/ management’s valuer judgement or assumptions can impact the assessment of the carrying values of the investment. Therefore, it has been considered as a key audit matter.</p>	
<p><b>Valuation of investments held by subsidiary entities in equity instruments</b></p> <p>The Group’s policies on valuation of Investments is set out in Note 5.11 to the consolidated financial statements.</p> <p>At the balance sheet date 31 March 2019, the Group held ₹ 3,182.27 lakhs of investments in equity instruments of third parties which are carried at fair value through profit and loss (‘FVTPL’) in the consolidated financial statements.</p>	<p>Our procedures in relation to the valuation of Investments held by the Group included, but not limited to the followings :</p> <ul style="list-style-type: none"> <li>• Understood the nature of transaction i.e. understanding the approach used for valuation and assessing the proposed accounting treatment in relation to the accounting policies and relevant Ind AS;</li> <li>• Enquired of the management and inspected the internal controls related to completeness of the list of investments along with the process followed to recover/ adjust these;</li> </ul>
<p>Any changes in estimates, assumptions and judgements involved may result in material changes in the valuation of investment and hence it required significant audit attention. Any change in the fair value of the abovementioned investments will result in a change in the profit or loss in consolidated financial statements.</p> <p>The management’s valuation is dependent upon the market conditions carried out by management’s valuer, which can be difficult to predict and be influenced by economic and other factors.</p> <p>Any errors or changes in the management/ management’s valuer judgement or assumptions can impact the assessment of the carrying values of the investment. Key audit matter	How our audit addressed the key audit matter
<p><b>Assessing the carrying value of inventory</b></p> <p>The accounting policies for Inventories are set out in Note 5.4 to the consolidated financial statements.</p> <p>Inventories of the Group comprise of real estate properties (including land) are disclosed under note 16.</p> <p>Impairment assessment of inventory is considered as a significant risk as there is a risk that recoverability of the carrying value of the inventory could not be established, and potential impairment charge might be required to be recorded in the consolidated financial statements. Management’s assessment of the recoverable amounts is a judgmental process which requires the estimation of the net realisable value, which takes into account the valuations of the properties held and cash flow projections of real estate properties under development.</p> <p>Due to their materiality in the context of the Group’s financial statements as a whole and significant degree of judgement and subjectivity involved in the estimates and key assumptions used in determining the cash flows used in the impairment evaluation, this is considered to be the area which had the greatest effect on our overall audit strategy and allocation of resources in planning and completing our audit.</p>	<p>Our procedures in relation to the valuation of inventory held by the group included, but not limited to the followings :</p> <ul style="list-style-type: none"> <li>• Obtained an understanding of the management process for identification of possible impairment indicators and process performed by the management for impairment testing and the management process of determining the Net Realisable Value (NRV);</li> <li>• Enquired of the management and inspected the internal controls related to inventory valuation along with the process followed to recover/adjust these and assessed whether impairment is required;</li> <li>• For real estate properties under development, obtained and assessed the management evaluation of the NRV. We also assessed the management’s valuation methodology applied in determining the recoverable amount and tested the underlying assumptions used by the management in arriving at those projections;</li> <li>• We challenged the management on the underlying assumptions used for the cash flow projections, considering evidence available to support these assumptions and our understanding of the business;</li> <li>• Where the management involved specialists to perform valuations, evaluated the objectivity and independence of those specialists;</li> <li>• For land parcels, obtained and verified the valuation of land parcels as per the government prescribed circle rates, wherever necessary;</li> <li>• Tested the arithmetical accuracy of the cash flow projections; and</li> <li>• We assessed the appropriateness and adequacy of the disclosures made by the management for the impairment losses recognized in accordance with applicable accounting standards.</li> </ul>

### Information other than the Consolidated Financial Statements and Auditor's Report thereon

7. The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

### Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

8. The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated state of affairs (consolidated financial position), consolidated profit or loss (consolidated financial performance including other comprehensive income), consolidated changes in equity and consolidated cash flows of the Group including its joint ventures in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. The Holding Company's Board of Directors is also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of consolidated Ind AS financial statements. Further, in terms of the provisions of the Act, the respective Board of Directors / management of the companies included in the Group, and its joint venture companies covered under the Act are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent;

and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. These financial statements have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

9. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and joint ventures are responsible for assessing the ability of the Group and joint ventures to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
10. Those Board of Directors are also responsible for overseeing the financial reporting process of the companies included in the Group and of its joint ventures.

### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

11. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
12. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from

- error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group and joint ventures (covered under the Act) have adequate internal financial controls system in place and the operating effectiveness of such controls;
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its joint ventures to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its joint ventures to cease to continue as a going concern; and
  - Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
13. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
14. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

15. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Other Matter

16. We did not audit the financial statements of certain subsidiaries, whose financial statements reflects total assets of ₹ 3,147,162.57 lakhs and net assets of ₹ 934,034.57 lakhs as at 31 March 2019, total revenues of ₹ 168,094.81 lakhs and net cash inflows amounting to ₹ 34,010.55 lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditors.

Further, of these subsidiaries, certain subsidiaries are located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been audited by other auditors under generally accepted auditing standards applicable in their respective countries. The Holding Company's management has converted the financial statements of such subsidiaries located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Holding Company's management. Our opinion, and matters identified and disclosed under key audit matters section above, in so far as it relates to the balances and affairs of such subsidiaries and joint ventures located outside India is based on the report of other auditors and the conversion adjustments prepared by the management of the Holding Company and audited by us.

Our opinion above on the consolidated financial statements, and our report on other legal and regulatory requirements below, are not modified

in respect of the above matters with respect to our reliance on the work done by and the reports of the other auditors.

**Report on Other Legal and Regulatory Requirements**

17. As required by section 197(16) of the Act, based on our audit and on the consideration of the reports of the other auditor, referred to in paragraph 16, on separate financial statements of the subsidiaries, we report that the Holding Company and certain subsidiary companies covered under the Act paid remuneration to their respective directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act. Further, we report that certain subsidiary companies and certain joint venture companies covered under the Act have not paid or provided for any managerial remuneration during the year.
18. As required by Section 143 (3) of the Act, based on our audit and on the consideration of the reports of the other auditors on separate financial statements and other financial information of the subsidiaries, we report, to the extent applicable, that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
  - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;
  - c) The consolidated financial statements dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
  - d) In our opinion, the aforesaid consolidated financial statements comply with Ind AS specified under section 133 of the Act;
  - e) On the basis of the written representations received from the directors of the Holding Company and taken on record by the Board of Directors of the Holding Company and the reports of the other statutory auditors of its subsidiary companies and joint venture companies covered under the Act, none of the directors of the Group companies and joint venture companies covered under the Act, are disqualified as on 31 March 2019 from being appointed as a director in terms of Section 164(2) of the Act;

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company, its subsidiary companies and joint venture companies covered under the Act, and the operating effectiveness of such controls, refer to our separate report in 'Annexure A';
- g) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiaries and joint ventures:
  - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group and its joint ventures as detailed in Note 44A(ii), Note 44A(iii), Note 44A(iv), and Note 44A(v) to the consolidated financial statements.;
  - ii. The Holding Company and its joint ventures did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2019;
  - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, its subsidiary companies and joint venture companies during the year ended 31 March 2019; and
  - iv. The disclosure requirements relating to holdings as well as dealings in specified bank notes were applicable for the period from 8 November 2016 to 30 December 2016, which are not relevant to these consolidated financial statements. Hence, reporting under this clause is not applicable.

**Annexure A to the Independent Auditor's Report of even date to the members of Indiabulls Real Estate Limited, on the consolidated financial statements for the year ended 31 March 2019**

**Annexure A**

**Independent Auditor's report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

1. In conjunction with our audit of the consolidated financial statements of the Indiabulls Real Estate Limited ("the Holding Company"), and its subsidiaries, (the Holding Company and its subsidiaries together referred to as "the Group") and its joint ventures as of and for the year ended 31 March 2019, we have audited the internal financial controls over financial reporting (IFCoFR) of the Holding Company, its subsidiary companies and its joint venture companies, which are companies incorporated in India, as of that date.

**Management's Responsibility for Internal Financial Controls**

2. The respective Board of Directors of the Holding Company, its subsidiary companies and its joint venture companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the respective company's business, including adherence to the respective company's policies, the safeguarding of the respective company's assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditors' Responsibility**

3. Our responsibility is to express an opinion on the IFCoFR of the Holding Company, its subsidiary companies and its joint venture companies as aforesaid, based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of IFCoFR, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements

and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the IFCoFR of the Holding Company, its subsidiary companies and its joint venture companies as aforesaid.

**Meaning of Internal Financial Controls over Financial Reporting**

6. A company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

7. Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and

not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that the IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

8. In our opinion, the Holding Company, its subsidiary companies and its joint venture companies, which are companies incorporated in India, have, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2019, based on the internal control over financial reporting criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

#### Other Matter

9. We did not audit the IFCoFR in so far as it relates to certain subsidiary companies, which are companies incorporated in India, whose financial statements reflect total assets of ₹ 1,515,125.11 lakhs and net assets of ₹ (161,620.60) lakhs as at 31 March

2019 total revenues of ₹ 164,940.40 lakhs and net cash outflows amounting to ₹ (12,534.76) lakhs for the year ended on that date as considered in the consolidated financial statements. The IFCoFR in so far as it relates to such subsidiary companies have been audited by other auditors whose reports have been furnished to us by the management and our report on the adequacy and operating effectiveness of the IFCoFR for the Holding Company and its subsidiary companies, which are companies incorporated in India, under Section 143(3)(i) of the Act in so far as it relates to the aforesaid subsidiary companies, which are companies incorporated in India, is solely based on the corresponding reports of the auditors of such companies. Our opinion is not modified in respect of the above matter with respect to our reliance on the work done by and the reports of the other auditors.

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019

### 1. Nature of principal activities

Indiabulls Real Estate Limited ('the Holding Company') was incorporated on 04 April 2006 with the main objects of carrying on the business of real estate project advisory, project marketing, maintenance of completed projects, engineering, industrial and technical consultancy, construction and development of real estate properties and other related and ancillary activities. The Holding Company is domiciled in India and its registered office is situated at M-62 and 63, First Floor, Connaught Place, New Delhi – 110001.

Indiabulls Real Estate Limited ('the Holding Company'), its subsidiaries and joint ventures (the Holding Company, its subsidiaries and joint ventures together referred to as "the Group") in the following notes.

### 2. General information and statement of compliance with Ind AS

The consolidated financial statements of the Group have been prepared in accordance with the Indian Accounting Standards as notified under section 133 of the Companies Act 2013 read with the Companies (Indian Accounting Standards) Rules 2015 (by Ministry of Corporate Affairs ('MCA')), as amended and other relevant provisions of the Act. The Group has uniformly applied the accounting policies during the periods presented.

These consolidated financial statements for the year ended 31 March 2019 were authorized and approved for issue by the Board of Directors on 23 April 2019. The revisions to the consolidated financial statements is permitted by the Board of Directors of the Holding Company after obtaining necessary approvals or at the instance of regulatory authorities as per provisions of the Act.

### 3. Basis of preparation

The consolidated financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. Further, the financial statements have been prepared on historical cost basis except for certain financial assets and financial liabilities and share based payments which are measured at fair values as explained in relevant accounting policies. Fair valuations related to financial assets and financial liabilities are categorised into level 1, level 2 and level 3 based on the degree to which the inputs to the fair value measurements are observable.

### 4. Recent accounting pronouncement

#### Ind AS 116, Leases

On 30 March 2019, Ministry of Corporate Affairs ('MCA') has clarified that Ind AS 116 is effective for annual periods beginning on or after 1 April 2019 and it replaces Ind AS 17 Leases, including appendices thereto. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single on-balance sheet model similar to the accounting for finance leases under Ind AS 17. The standard includes two recognition exemptions for lessees - leases of 'low-value' assets and short-term leases (i.e., leases with a lease term of 12 months or less). At the commencement date of a lease, a lessee will recognise a liability to make lease payments (i.e., the lease liability) and an asset representing the right to use the underlying asset during the lease term (i.e., the right-of-use asset). Lessees will be required to separately recognise the interest expense on the lease liability and the depreciation expense on the right-of-use asset. Further, in case of an operating lease, lessors are required to record lease income on straight line basis. The Group is evaluating the requirements of the amendments and their impact on the financial statements.

#### Amendment to Ind AS 12, Income taxes

On 30 March 2019, Ministry of Corporate Affairs ("MCA") has notified Appendix C to Ind-AS 12 Income taxes – "Uncertainty over Income Tax Treatments". The amendment to Ind AS 12 requires the entities to consider recognition and measurement requirements when there is uncertainty over income tax treatments. In such a circumstance, an entity shall recognise and measure its current or deferred tax asset or liability accordingly. The effective date of amendment is 1 April 2019. Further, there has been amendments in relevant paragraphs in Ind-AS 12 "Income Taxes" which clarifies that an entity shall recognize the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognized those past transactions or events in accordance with Ind-AS 109. The Group is evaluating the requirements of the amendments and their impact on the consolidated financial statements.

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019 (contd.)

### **Amendment to Ind AS 19, Employee benefits**

On 30 March 2019, Ministry of Corporate Affairs (“MCA”) has issued an amendment to Ind AS 19 which requires the entities to determine current service cost using actuarial assumptions and net interest using discount rate determined at the start of the annual reporting period. However, if an entity re-measures the net defined benefit liability (asset) as per the requirement of the standard, it shall determine current service cost and net interest for the remainder of the annual reporting period after the plan amendment, curtailment or settlement using the actuarial assumptions used to re-measure the net defined benefit liability (asset). The effective date of amendment is April 1, 2019. The Group is evaluating the requirements of the amendments and their impact on the consolidated financial statements.

### **Amendment to Ind AS 23, Borrowing costs**

On 30 March 2019, Ministry of Corporate Affairs (“MCA”) issued an amendment to Ind-AS 23 “Borrowing Costs” clarifies that if any specific borrowing remains outstanding after the related asset is ready for its intended use or sale, that borrowing becomes part of the funds that an entity borrows generally when calculating the capitalization rate on general borrowings. This amendment is effective for annual periods beginning on or after 1 April 2019. The Group is evaluating the requirements of the amendments and their impact on the consolidated financial statements.

### **Amendment to Ind AS 109, Financial instruments**

On 30 March 2019, Ministry of Corporate Affairs (“MCA”) issued an amendment to Ind-AS 109 in respect of prepayment features with negative compensation, which amends the existing requirements in Ind-AS 109 regarding termination rights in order to allow measurement at amortized cost (or, depending on the business model, at fair value through other comprehensive income) even in the case of negative compensation payments. This amendment is effective for annual periods beginning on or after 1 April 2019. The Group is evaluating the requirements of the amendments and their impact on the consolidated financial statements.

### **Amendment to Ind AS 28, Investments in associates and joint ventures**

On March 30, 2019, Ministry of Corporate Affairs (“MCA”) issued an amendment to Ind-AS 28 “Investments in Associates and Joint Ventures” in relation to long-term interests in associates and joint ventures. The amendment clarifies that an entity applies Ind-AS 109 to long-term interests in an associate or joint venture that form part of the net investment in the associate or joint venture but to which the equity method is not applied. This amendment is effective for annual periods beginning on or after April 1, 2019. The Group is evaluating the requirements of the amendments and their impact on the consolidated financial statements.

### **Amendment to Ind AS 103, Business combinations**

On March 30, 2019, Ministry of Corporate Affairs (“MCA”) issued an amendment to Ind-AS 103, “Business Combinations”. The amendment clarifies that when an entity obtains control of a business that is a joint operation, it shall need to re-measure the previously held interests in that business. This amendment is effective for annual periods beginning on or after April 1, 2019. The Group is evaluating the requirements of the amendments and their impact on the consolidated financial statements.

### **Amendment to Ind AS 111, Joint arrangements**

On March 30, 2019, Ministry of Corporate Affairs (“MCA”) issued an amendment to Ind-AS 111, “Joint Arrangements”. The amendment clarifies that when an entity obtains joint control of a business that is a joint operation, the entity shall not re-measure previously held interests in that business. This amendment is effective for annual periods beginning on or after April 1, 2019. The Group is evaluating the requirements of the amendments and their impact on the consolidated financial statements.

## **5. Summary of significant accounting policies**

The consolidated financial statements have been prepared using the significant accounting policies and measurement bases summarised below. These were used throughout all periods presented in the consolidated financial statements.

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019 (contd.)

### 5.1 Basis of consolidation

#### *Subsidiaries*

Subsidiaries are all entities (including structured entities) over which the Group has control. The Group controls an entity when the Group has power over the investee and is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. The Group has power over the investee even if it owns less than majority voting rights i.e. rights arising from other contractual arrangements. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date when control ceases. Statement of profit and loss (including other comprehensive income ('OCI')) of subsidiaries acquired or disposed of during the period are recognised from the effective date of acquisition, or up to the effective date of disposal, as applicable. All the consolidated subsidiaries have a consistent reporting date of 31 March 2019.

The Group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains/(losses) on transactions between group companies are eliminated. The accounting principles and policies have been consistently applied by the Group.

Non-controlling interests, presented as part of equity, represent the portion of a subsidiary's statement of profit and loss and net assets that is not held by the Group. Statement of profit and loss balance (including each component of OCI) is attributed to the equity holders of the Holding Company and to the non-controlling interests basis the respective ownership interests and the such balance is attributed even if this results in the non-controlling interests having a deficit balance.

The Group treats transactions with non-controlling interests that do not result in a loss of control as transactions with equity owners of the Group. Such a change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interests in the subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognised within equity.

#### *Joint ventures*

Investments in joint arrangements are classified as either Joint operations or Joint ventures. The classification depends on the contractual rights and obligations of each investor, rather than the legal structure of the Joint arrangement. The Group has classified its investment in joint arrangement as joint ventures.

Interest in joint venture are accounted for using the equity method, after initially being recognized at cost. The carrying amount of the investment is adjusted thereafter for the post acquisition change in the share of net assets of the investee, adjusted where necessary to ensure consistency with the accounting principles and policies of the Group. The consolidated statement of profit and loss (including the other comprehensive income) includes the Group's share of the results of the operations of the investee. Dividends received or receivable from joint ventures are recognized as a reduction in the carrying amount of the investment.

### 5.2 Business combination

The Group applies the acquisition method in accounting for business combinations. The consideration transferred by the Group to obtain control of a subsidiary is calculated as the sum of the acquisition-date fair values of assets transferred, liabilities incurred by the former owners of the acquired entity. Acquisition costs are generally recognized in the statement of profit and loss as incurred.

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are measured initially at their acquisition-date fair values.

Goodwill is initially measured as excess of the aggregate of the consideration transferred and the amount recognised for non-controlling interests, and any previous interest held, over the net identifiable assets acquired and liabilities

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019 (contd.)

assumed. If the fair value of the net assets acquired is in excess of the aggregate consideration transferred and where exists clear evidence of underlying reasons of classifying business combinations as bargain purchase, the difference is recognised in other comprehensive income and accumulated in equity as capital reserve. However, if there is no clear evidence of bargain purchase, the entity recognises the gain directly in equity as capital reserve, without routing the same through other comprehensive income.

Business combinations involving entities or businesses under common control have been accounted for using the pooling of interests method. The assets and liabilities of the combining entities are reflected at their carrying amounts. No adjustments have been made to reflect fair values, or to recognise any new assets or liabilities.

### 5.3 Revenue recognition

Revenue is recognised when control is transferred and is accounted net of rebate and taxes. The Group applies the revenue recognition criteria to each nature of the revenue transaction as set out below:

#### *Revenue from sale of properties*

Revenue from sale of properties is recognized when the performance obligations are essentially complete and credit risks have been significantly eliminated. The performance obligations are considered to be complete when control over the property has been transferred to the buyer i.e. offer for possession (possession request letter) of properties have been issued to the customers and substantial sales consideration is received from the customers.

The Group considers the terms of the contract and its customary business practices to determine the transaction price. The transaction price is the amount of consideration to which the Group expects to be entitled in exchange for transferring property to a customer, excluding amounts collected on behalf of third parties (for example, indirect taxes). The consideration promised in a contract with a customer may include fixed consideration, variable consideration (if reversal is less likely in future), or both.

For each performance obligation identified, the Group determines at contract inception whether it satisfies the performance obligation over time or satisfies the performance obligation at a point in time. If an entity does not satisfy a performance obligation over time, the performance obligation is satisfied at a point in time. A receivable is recognised by the Group when the control is transferred as this is the case of point in time recognition where consideration is unconditional because only the passage of time is required.

When either party to a contract has performed, an entity shall present the contract in the balance sheet as a contract asset or a contract liability, depending on the relationship between the entity's performance and the customer's payment.

The costs estimates are reviewed periodically and effect of any change in such estimate is recognized in the period such changes are determined. However, when the total estimated cost exceeds total expected revenues from the contracts, the loss is recognized immediately.

#### *Revenue from construction contracts*

Revenue and related expenditures in respect of short-term works contracts that are entered into and completed during the year are accounted for on accrual basis as they are earned. Revenue and related expenditures in respect of long-term works contracts are accounted for on the basis of 'input method' as the performance obligations are satisfied over time. In case of cost plus contracts, revenue is recognised as per terms of specific contract, i.e. cost incurred plus an agreed profit margin. Further, the Group considers the terms of the contract and its customary business practices to determine the transaction price. The consideration promised in a contract with a customer may include fixed consideration, variable consideration (if reversal is less likely in future), or both.

#### *Revenue from sale of land*

Revenue from sale of land is recognised in the year in which the underlying sale deed is executed and there exists no uncertainty in the ultimate collection of consideration from buyer.

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019 (contd.)

### *Base rent and amenities income*

Base rent and amenities income are recognised on a straight-line basis over the terms of the lease, except for contingent rental income, which is recognised when it arises and where scheduled increase in rent compensates the lessor for expected inflationary costs. Base rent comprises rental income earned from the operating leases and finance lease of the owned properties. Amenities income is rental revenue earned from the letting of space at the properties for amenities (including canteen space and business centre) is recognised in the period in which the services are being rendered.

### *Land lease income*

Upfront lease premium received/receivable is recognized on operating lease basis i.e. on straight line basis over the lease term of the lease/sub-lease arrangement. Annual lease rentals are recognized on an accrual basis.

### *Operations and maintenance income*

Income arising from billing of maintenance charges to tenants/customers is recognised in the period in which the services are being rendered. A receivable is recognised by the Group when the services are rendered as this is the case of point in time recognition where consideration is unconditional because only the passage of time is required. Further, the Group considers the terms of the contract and its customary business practices to determine the transaction price. The consideration promised in a contract with a customer may include fixed consideration, variable consideration (if reversal is less likely in future), or both.

### *Profit on sale of investment with underlying business*

Profit on sale of investments of entities in the real estate business is recognised in the year in such investments are sold after adjusting the consideration received with carrying value of investment. The said profit is recognised as part of other operating income as in substance, such sale reflects the sale of real estate business.

### *Gain on fair valuation of investment (remaining stake)*

Gain on fair valuation of investment is recognised in the year in which the investment fair valued basis the consideration received for the proportionate stake sale. The said gain is recognised as part of other operating income as there is underlying business of real estate development.

### *Service revenue*

Income from real estate advisory services is recognized on accrual basis when services are completed, except in cases where ultimate collection is considered doubtful.

### *Interest income*

Interest income is recorded on accrual basis using the effective interest rate (EIR) method.

Interest on delayed receipts, cancellation/forfeiture income and transfer fees from customers are recognized on accrual basis except in cases where ultimate collection is considered doubtful.

### *Car parking income*

Car park income is recognised in the period in which the services are rendered.

### *Dividend income*

Dividend income is recognised at the time when right to receive the payment is established, which is generally when the shareholders of the investee entity approve the dividend.

### *Gain on de-recognition of financial asset carried at amortised cost*

Gain on de-recognition of financial asset carried at amortised cost is recognised in the year when the entire payment is received against the outstanding balance of amortised cost financial assets.

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019 (contd.)

### 5.4 Inventories

Land other than that transferred to real estate properties under development is valued at lower of cost or net realizable value.

Real estate properties (developed and under development) includes cost of land under development, internal and external development costs, construction costs, and development/construction materials, borrowing costs and related overhead costs and is valued at lower of cost or net realizable value.

Construction materials, stores and spares, tools and consumable are valued at lower of cost or net realisable value, on the basis of first-in first-out method.

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs of necessary to make the sale.

### 5.5 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is necessary to complete and prepare the asset for its intended use or sale. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the statement of profit and loss as incurred.

### 5.6 Property, plant and equipment

#### *Recognition and initial measurement*

Property, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group. All other repair and maintenance costs are recognised in statement of profit and loss as incurred.

#### *Capital work-in progress*

Capital work-in progress excludes capital advances but includes property, plant and equipment under construction and not ready for intended use as on balance sheet date.

#### *Subsequent measurement (depreciation and useful lives)*

Depreciation on property, plant and equipment is provided on the straight-line method, computed on the basis of useful lives (as set out below) prescribed in Schedule II to the Companies Act, 2013:

Asset class	Useful life
Building – temporary structures	1 – 3 years
Plant and equipment	12 – 15 years
Office equipment	5 years
Computers	3 – 6 years
Furniture and fixtures	10 years
Vehicles	8 years
Ship	13 years

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019 (contd.)

### *Leasehold improvements*

Leasehold improvements have finite useful life and, therefore, are capitalised separately and amortised over the lease period or the estimated useful life of the leasehold improvements. Presently, the estimated useful life of the assets is less than the lease period and is as below:

Asset class	Useful life
Boundary wall	5 years
Water pipeline	12 years
Other infrastructure works	10 years
Electrical work	10 years

The residual values, useful lives and method of depreciation of are reviewed at the end of each financial year and adjusted prospectively, if appropriate.

### *De-recognition*

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognised in statement of profit and loss when the asset is derecognised.

## 5.7 Investment property

### *Recognition and initial measurement*

Investment properties are held to earn rentals or for capital appreciation, or both. Investment properties are measured initially at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group. All other repair and maintenance costs are recognised in statement of profit and loss as incurred.

Though the Group measures investment property using cost based measurement, the fair value of investment property is disclosed in the notes. Fair values are determined based on an annual valuation performed by an accredited external independent valuer who holds a recognised and relevant professional qualification and has recent experience in the location and category of the investment property being valued.

### *Subsequent measurement (depreciation and useful lives)*

Depreciation on investment properties is provided on the straight-line method, computed on the basis of useful lives (as set out below) prescribed in Schedule II to the Companies Act, 2013:

Asset class	Useful life
Building and related fixtures	
Buildings	60 years
Fixtures	10 years
Plant and equipment	12 - 15 years

The residual values, useful lives and method of depreciation of are reviewed at the end of each financial year and adjusted prospectively, if appropriate.

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019 (contd.)

### *De-recognition*

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in statement of profit and loss in the period of de-recognition.

### *Investment property under development*

Investment property under development represents expenditure incurred in respect of capital projects are carried at cost. Cost includes land, related acquisition expenses, development/construction costs, borrowing costs and other direct expenditure.

## 5.8 Intangible assets

### *Recognition and initial measurement*

Intangible assets (softwares) are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

### *Subsequent measurement (amortisation)*

The cost of capitalized software is amortized over a useful life of 3 to 4 years from the date of its acquisition.

### *De-recognition*

Intangible asset is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the statement of profit and loss, when the asset is derecognised.

## 5.9 Leases

### **Where the Group is the lessee**

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Group is classified as a finance lease.

Finance leases are capitalised at the commencement of the lease at the inception date fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of profit and loss, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with the Group's general policy on the borrowing costs. Contingent rentals are recognised as expenses in the periods in which they are incurred.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Group will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Lease other than finance lease is treated as operating lease. Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term, except when the lease rentals, increase are in line with expected inflationary costs.

### **Where the Group is the lessor**

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Group to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Group's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

Leases in which the Group does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease except for contingent rental income, which is recognised when it arises and where scheduled increase

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019 (contd.)

in rent compensates the lessor for expected inflationary costs. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

### 5.10 Impairment of non-financial assets

At each reporting date, the Group and its joint ventures assesses whether there is any indication that an asset may be impaired, based on internal or external factors. If any such indication exists, the recoverable amount of the asset or the cash generating unit is estimated. If such recoverable amount of the asset or cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If, at the reporting date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount. Impairment losses previously recognized are accordingly reversed in the statement of profit and loss.

### 5.11 Financial instruments

#### Financial assets

##### *Recognition and initial measurement*

All financial assets are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial asset is also adjusted.

##### *Subsequent measurement*

i. **Debt instruments at amortised cost** – A ‘debt instrument’ is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

ii. **Equity investments** – All equity investments in scope of Ind AS 109 Financial Instruments (‘Ind AS 109’) are measured at fair value. Equity instruments which are held for trading are generally classified as at fair value through profit and loss (FVTPL). For all other equity instruments, the Group decides to classify the same either as at fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL). The Group makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable.

iii. **Mutual funds** – All mutual funds in scope of Ind AS 109 are measured at fair value through profit and loss (FVTPL).

##### *De-recognition of financial assets*

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or the Group has transferred its rights to receive cash flows from the asset.

#### Financial liabilities

##### *Recognition and initial measurement*

All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted.

##### *Subsequent measurement – Amortised cost*

Subsequent to initial recognition, most of the liabilities are measured at amortised cost using the effective interest method.

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019 (contd.)

### *Recognition and initial and subsequent measurement – fair value*

A financial liability is classified as fair value through profit and loss ('FVTPL') if it is designated as such upon initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains/losses, including any interest expense are recognised in statement of profit and loss.

### *De-recognition of financial liabilities*

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

### **Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

### **Net investment hedge**

The Holding Company has entered into certain forward (derivative) contracts to hedge foreign currency risk. Derivative financial instruments are accounted at FVTPL except for derivatives designated as hedging instruments. To qualify for hedge accounting, the hedging relationship must meet conditions with respect to documentation, strategy and economic relationship of the hedged transaction.

Hedge of net investments in foreign operations are accounted for similar to cash flow hedges. The changes in fair value of forward element is recognised in other comprehensive income and accumulated in foreign currency translation reserve in equity. The difference between forward and spot element at the date of designation of hedging instrument is amortised over the period of hedge. Gains and losses accumulated in equity are reclassified to profit or loss when the foreign operation is partially disposed of or sold.

## **5.12 Impairment of financial assets**

In accordance with Ind AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets. The Group factors historical trends and forward looking information to assess expected credit losses associated with its assets and impairment methodology applied depends on whether there has been a significant increase in credit risk.

### *Trade receivables*

In respect of trade receivables, the Group applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

### *Other financial assets*

In respect of its other financial assets, the Group assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Group measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses. The Group assumes that the credit risk on a financial asset has not increased significantly since initial recognition, if the financial asset is determined to have low credit risk at the balance sheet date.

## **5.13 Foreign currency**

### *Functional and presentation currency*

The consolidated financial statements are presented in Indian Rupee ('INR') which is also the functional and presentation currency of the Holding Company.

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019 (contd.)

### *Transactions and balances*

Foreign currency transactions are recorded in the functional currency, by applying to the exchange rate between the functional currency and the foreign currency at the date of the transaction.

Foreign currency monetary items are converted to functional currency using the closing rate. Non-monetary items denominated in a foreign currency which are carried at historical cost are reported using the exchange rate at the date of the transaction.

Exchange differences arising on monetary items on settlement, or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the statement of profit and loss in the year in which they arise.

### *Translation of foreign operations*

Functional and reporting currencies of foreign operations are different from the reporting currency of the Holding Company. In respect of foreign operations, assets and liabilities are translated at the exchange rate prevailing at the date of the balance sheet. The items in the statement of profit and loss are translated at the average exchange rate (that approximates the actual exchange rates) during the year. The exchange difference arising out of the translation are recognized in other comprehensive income and are accumulated as foreign currency translation reserve, in the balance sheet until the disposal of the net investments at which time they are recognised as income or as expenses.

#### **5.14 Income taxes**

Tax expense recognized in statement of profit and loss comprises the sum of current tax and deferred tax except the ones recognized in other comprehensive income or directly in equity.

Current tax is determined as the tax payable in respect of taxable income for the year and is computed in accordance with relevant tax regulations. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Minimum alternate tax ('MAT') credit entitlement is recognised as an asset only when and to the extent there is convincing evidence that normal income tax will be paid during the specified period. In the year in which MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the statement of profit and loss and shown as MAT credit entitlement. This is reviewed at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent it is not reasonably certain that normal income tax will be paid during the specified period.

Deferred tax is recognised in respect of temporary differences (including differences arising on account of consolidation) between carrying amount of assets and liabilities for financial reporting purposes and corresponding amount used for taxation purposes. Deferred tax assets on unrealised tax loss are recognised to the extent that it is probable that the underlying tax loss will be utilised against future taxable income. This is assessed based on the forecast of future operating results of respective entity, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit or loss (either in other comprehensive income or in equity).

#### **5.15 Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand, demand deposits, other short-term highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

#### **5.16 Employee benefits**

##### *Defined contribution plan*

The Group's contribution to provident fund and employee state insurance schemes is charged to the statement of

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019 (contd.)

profit and loss or inventorized as a part of real estate properties under development, as the case may be. The Group's contributions towards Provident Fund are deposited with the Regional Provident Fund Commissioner under a defined contribution plan.

### *Defined benefit plan*

The Group has unfunded gratuity as defined benefit plan where the amount that an employee will receive on retirement is defined by reference to the employee's length of service and final salary. The liability recognised in the balance sheet for defined benefit plans as the present value of the defined benefit obligation (DBO) at the reporting date. Management estimates the DBO annually with the assistance of independent actuaries. Actuarial gains/losses resulting from re-measurements of the liability are included in other comprehensive income.

### *Other long-term employee benefits*

The Group also provides benefit of compensated absences to its employees which are in the nature of long-term benefit plan. Liability in respect of compensated absences becoming due and expected to be availed more than one year after the balance sheet date is estimated on the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method as on the reporting date. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are recorded in the statement of profit and loss in the year in which such gains or losses arise.

### *Short-term employee benefits*

Short-term employee benefits comprise of employee costs such as salaries, bonus etc. is recognized on the basis of the amount paid or payable for the period during which services are rendered by the employee.

## **5.17 Share based payments**

Share based compensation benefits are provided to employees via Employee Stock Option Plans (ESOPs). The employee benefits expense is measured using the fair value of the employee stock options and is recognised over vesting period with a corresponding increase in equity. The vesting period is the period over which all the specified vesting conditions are to be satisfied. On the exercise of the employee stock options, the employees will be allotted equity shares of the Holding Company.

## **5.18 Provisions, contingent liabilities and contingent assets**

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Group; or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognized nor disclosed. However, when realization of income is virtually certain, related asset is recognized.

## **5.19 Earnings per share**

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019 (contd.)

### 5.20 Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Group's consolidated financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the related disclosures.

#### *Significant management judgements*

**Recognition of deferred tax assets** – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized. In addition, significant judgement is required in assessing the impact of any legal or economic limits or uncertainties in various tax jurisdictions.

**Evaluation of indicators for impairment of assets** – The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

**Classification of leases** – The Group enters into leasing arrangements for various assets. The classification of the leasing arrangement as a finance lease or operating lease is based on an assessment of several factors, including, but not limited to, transfer of ownership of leased asset at end of lease term, lessee's option to purchase and estimated certainty of exercise of such option, proportion of lease term to the asset's economic life, proportion of present value of minimum lease payments to fair value of leased asset and extent of specialized nature of the leased asset.

**Recoverability of advances/receivables** – At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit losses on outstanding receivables and advances.

**Provisions** – At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Group assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.

#### *Significant estimates*

The following are significant estimates in applying the accounting policies of the Group that have the most significant effect on the financial statements.

**Revenue and inventories** – The estimates around total budgeted cost i.e. outcomes of underlying construction and service contracts, which further require assessments and judgements to be made on changes in work scopes, claims and other payments to the extent they are probable and they are capable of being reliably measured. For the purpose of making estimates for claims, the Group used the available contractual and historical information. The estimates of the saleable area are also reviewed periodically and effect of any changes in such estimates is recognised in the period such changes are determined.

**Useful lives of depreciable/amortisable assets** – Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utilization of asset.

**Defined benefit obligation (DBO)** – Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

**Fair value measurements** – Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non-financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument. Management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

**Valuation of investment property** – Investment property is stated at cost. However, as per Ind AS 40 there is a requirement to disclose fair value as at the balance sheet date. The Group engaged independent valuation specialists to determine the fair value of its investment property as at reporting date. The determination of the fair value of properties requires the use of estimates such as future cash flows from the assets (such as lettings, future revenue streams, capital values of fixtures and fittings, any environmental matters and the overall repair and condition of the property) and discount rates applicable to those assets. In addition, development risks (such as construction and letting risk) are also taken into consideration when determining the fair value of the properties under construction. These estimates are based on local market conditions existing at the balance sheet date.

**Nature and purpose of other reserves**

**General reserve**

The Holding Company is required to create a general reserve out of the profits when the Company declares dividend to shareholders.

**Capital reserve**

The Holding Company has issued share warrants in the earlier years. This reserve is created on account of forfeiture of share application money received on account of issuance of share warrants as share warrants holders did not exercise their rights.

**Debenture redemption reserve**

The Holding Company and its subsidiaries (wherever debenture balances are outstanding) are required to create a debenture redemption reserve out of the profits which are available for redemption of debentures.

**Capital redemption reserve**

The same has been created in accordance with provisions of the Companies Act, 2013 for the buy back of equity shares from the market.

**Deferred employee compensation reserve**

The reserve is used to recognized the expense related to stock options issued to employees under Holding Company's employee stock option plans.

**Securities premium**

Securities premium reserve is used to record the premium on issue of shares. The reserve is utilised in accordance with provisions of the Companies Act, 2013.

**SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019 (contd.)**

**Capital reserve on consolidation**

This is on acquisition/dilution of investment in subsidiaries by the Group at different point in time. It has resulted in a capital reserve on consolidation (after netting off goodwill arising on such acquisitions).

**Note - 38**

**Earnings per share (EPS)**

The Group's Earnings per Share ('EPS') is determined based on the net profit attributable to the shareholders' of the Holding Company. Basic earnings per share is computed using the weighted average number of shares outstanding during the year. Diluted earnings per share is computed using the weighted average number of common and dilutive common equivalent shares outstanding during the year including share options, except where the result would be anti-dilutive. Weighted average number of equity shares includes the impact of buy back of equity shares during the year.

The following reflects the income and share data used in the basic and diluted EPS computations:

Profit attributable to equity shareholders of the Holding Company (₹ in lakhs)	50,414.57	237,284.52
Nominal value of equity share (₹)	2.00	2.00
Total number of equity shares outstanding at the beginning of the year	478,414,339	478,414,339
Total number of equity shares outstanding at the end of the year	450,680,289	478,414,339

#### Fair value measurement

##### (i) Fair value hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

**Level 1:** quoted prices (unadjusted) in active markets for financial instruments.

**Level 2:** inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

**Level 3:** unobservable inputs for the asset or liability.

##### (iii) Valuation process and technique used to determine fair value

#### Financial assets

- Traded (market) price basis recognised stock exchange for quoted equity instruments.
- Use of net asset value for mutual funds on the basis of the statement received from investee party.
- For unquoted equity instruments (except one mentioned in point (d) below) and optionally convertible preference shares, the Group has used adjusted net asset value method which factors fair value of assets and liabilities of investee entity with an adjustment of factors such as lack of liquidity, time elapsed from date of investment etc.
- One of the unquoted equity instruments is measured using net present value of future cash flow (income approach) discounted at a rate to reflect the risk involved in the business and other critical factors.

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019 (contd.)

The above disclosures is presented for non-current financial assets and non-current financial liabilities. Carrying value of current financial assets and current financial liabilities (trade receivables, cash and cash equivalents, other bank balances, loans, other financial assets, borrowings, trade payables, other current financial liabilities and redeemable preference shares) represents the best estimate of fair value.

\* A part of the non-convertible redeemable debentures issued by the Company are listed on stock exchange and there is no comparable instrument having the similar terms and conditions with related security being pledged and hence the carrying value of the debentures represents the best estimate of fair value.

### iii) Risk Management

The Group's activities expose it to market risk, liquidity risk and credit risk. The board of directors has overall responsibility for the establishment and oversight of the risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

#### (A) Credit risk

Credit risk is the risk that a counterparty fails to discharge its obligation to the Group. The Group's exposure to credit risk is influenced mainly by cash and cash equivalents, trade receivables and financial assets measured at amortized cost. The Group continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls.

#### a) Credit risk management

##### i) Credit risk rating

The Group assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

A: Low credit risk

B: Moderate credit risk

C: High credit risk

Asset group	Basis of categorisation	Provision for expenses credit loss
A: Low credit risk	Investments, trade receivables, cash and cash equivalents, other bank balances, loans and other financial assets	12 month expected credit loss/Life time expected credit loss
B: High credit risk	Trade receivables	Life time expected credit loss or fully provided for

In respect of trade receivables, the Group recognises a provision for lifetime expected credit loss.

Based on business environment in which the Group operates, a default on a financial asset is considered when the counter party fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions.

Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or a litigation decided against the Group. The Group continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognised in statement of profit and loss.

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and financial institutions and diversifying bank deposits and accounts in different banks. Credit risk is considered low because the Company deals with highly rated banks and financial institution. Loans and other financial assets measured at amortized cost includes long-term bank deposits, security deposits and other receivables. Credit risk related to these financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensure the amounts are within defined limits. Credit risk is considered low because the Company is in possession of the underlying asset. Further, the Company creates provision by assessing individual financial asset for expectation of any credit loss basis 12 month expected credit loss model.

**Expected credit loss for trade receivables under simplified approach**

**Real estate business receivables**

The Group considers provision for lifetime expected credit loss. Given the nature of business operations, the Group's receivables from real estate business does not have any expected credit loss as transfer of legal title of properties sold is generally passed on to the customer, once the Group receives the entire consideration and hence, these are been considered as low credit risk assets. Further, during the periods presented, the Group has made no write-offs of receivables.

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019 (contd.)

### Rental business receivables

The Group considers provision for lifetime expected credit loss. Given the nature of business operations, the receivables from rental business has low credit risk as the Group holds security deposits against the premises given on rentals. Further, historical trends indicate some shortfall between such deposits held by the Group and amounts due from customers. Hence, with the historical loss experience and forward looking information, the Group has provided expected credit loss in relation to receivables from rental business.

### (B) Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Group's approach to managing liquidity is to ensure as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due.

Management monitors rolling forecasts of the Group's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Group takes into account the liquidity of the market in which the entity operates.

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019 (contd.)

### (C) Market risk

#### (i) Interest rate risk

The Group fixed rate borrowings are not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

The Group variable rate borrowing is subject to interest rate. Below is the overall exposure of the borrowing:

Particulars	(₹ in lakhs)	
	31 March 2019	31 March 2018
Variable rate borrowing	224,074.93	215,280.33
Fixed rate borrowing	329,360.65	444,688.33
<b>Total borrowings</b>	<b>553,435.58</b>	<b>659,968.66</b>

#### Sensitivity

Profit or loss is sensitive to higher/lower interest expense from variable rate borrowings as a result of changes in interest rates.

Particulars	(₹ in lakhs)	
	31 March 2019	31 March 2018
Interest rates – increase by 1% (31 March 2018 : 1%)	2,240.75	2,152.80
Interest rates – decrease by 1% (31 March 2018 : 1%)	(2,240.75)	(2,152.80)

#### (ii) Foreign exchange risk

The Group has international transactions and is exposed to foreign exchange risk arising from foreign currency transactions (imports and exports). Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the Group's functional currency. The Group does not hedge its foreign exchange receivables/payables.

Foreign currency risk exposure:			(₹ in lakhs)	
Particulars	Currency	31 March 2019	31 March 2018	
Trade payables	USD	2.49	614.67	
Advances	GBP	-	610.06	

#### Sensitivity

The sensitivity of profit or loss to changes in the exchange rates arises mainly from foreign currency denominated financial instruments.

Particulars	Currency	(₹ in lakhs)			
		Exchange rate increase by 1%		Exchange rate decrease by 1%	
		31 March 2019	31 March 2018	31 March 2019	31 March 2018
Trade payables	USD	0.02	6.15	(0.02)	(6.15)
Advances	GBP	-	6.10	-	(6.10)

#### (iii) Price risk

The Group exposure price risk arises from investments held and classified in the balance sheet either as fair value through other comprehensive income or at fair value through profit or loss. To manage the price risk arising from investments, the Group diversifies its portfolio of assets.

<b>Receivables</b>		
Trade receivables	26,022.39	311.02
<b>Total receivables</b>	<b>26,022.39</b>	<b>311.02</b>

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019 (contd.)

Contract asset is the right to consideration in exchange for goods or services transferred to the customer. Contract liability is the entity's obligation to transfer goods or services to a customer for which the entity has received consideration from the customer in advance. Contract assets (unbilled receivables) are transferred to receivables when the rights become unconditional and contract liabilities are recognised as and when the performance obligation is satisfied.

C Significant changes in the contract liabilities balances during the year are as follows:

Particulars	(₹ in lakhs)	
	As at 31 March 2019	As at 31 March 2018
	<b>Contract liabilities</b>	<b>Contract liabilities</b>
	<b>Advances from customers</b>	<b>Advances from customers</b>
<b>Opening balance</b>	802,856.90	818,785.60
Addition during the year	45,294.56	16,273.55
Revenue recognised during the year	<u>(426,089.22)</u>	<u>(32,202.25)</u>
<b>Closing balance</b>	<b><u>422,062.24</u></b>	<b><u>802,856.90</u></b>

D The aggregate amount of transaction price allocated to the unsatisfied performance obligations as at 31 March 2019 is ₹ 428,662.24 lakhs. This balance represents the advance received from customers (gross) against real estate properties under development. The management expects to further bill and collect the remaining balance of total consideration in the coming years. These balances will be recognised as revenue in future years as per the policy of the Company. Further, as permitted under the transitional provisions of Ind AS 115, the transaction price allocated to the unsatisfied performance obligations as at 31 March 2018 is not disclosed.

E Reconciliation of revenue from sale of properties with contract revenue:

Particulars	Year ended	Year ended
	31 March 2019	31 March 2018
Contract revenue	463,257.45	33,057.99
Adjustment for:		
- Subvention cost*	<u>(11,145.84)</u>	<u>(544.72)</u>
<b>Revenue from sale of properties</b>	<b><u>452,111.61</u></b>	<b><u>32,513.27</u></b>

\* Subvention cost represent the expected cash outflow under the arrangement determined basis time elapsed.

F One of the subsidiary company of the group earns revenue from construction contracts. Revenue and related expenditures in respect of short-term works contracts that are entered into and completed during the year are accounted for on accrual basis as they are earned. Revenue and related expenditures in respect of long-term works contracts are accounted for on the basis of 'input method' as the performance obligations are satisfied over time. For the purpose of revenue recognition, as part of the input method, the percentage of completion is arrived basis the cost incurred as compared the total budgeted cost for the contract. In case of cost plus contracts, revenue is recognised as per terms of specific contract, i.e. cost incurred plus an agreed profit margin.

G Ind AS 115 'Revenue from Contracts with Customers', mandatory for reporting periods beginning on or after 1 April 2018, replaces existing revenue recognition requirements. The application of Ind AS 115 has impacted the Company's accounting for recognition of revenue from real estate projects. The Company has applied full retrospective approach in adopting the new standard and accordingly restated the previous period numbers basis completion of contract for all the real estate projects across India. The following table summarises the impact on transition to Ind AS 115 on each individual line items. Line items that are not affected by changes have not been included.

#### Employee benefits

##### Defined contribution plan

The Group has made ₹ 67.88 lakhs (31 March 2018 - ₹ 70.39 lakhs) contribution in respect of provident fund and other funds.

##### Defined Benefit Plan

The Group has the following Defined Benefit Plans:

- Compensated absences (Unfunded)
- Gratuity (Unfunded)

##### Risks associated with plan provisions

Discount rate risk	Reduction in discount rate in subsequent valuations can increase the plan's liability.
Mortality risk	Actual death & liability cases proving lower or higher than assumed in the valuation can impact the liabilities.
Salary risk	Actual salary increase will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.
Withdrawal risk	Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.

##### *Compensated absences*

The leave obligations cover the Group's liability for permitted leaves. The amount of provision of ₹ 42.16 lakhs (31 March 2018 - ₹ 23.93 lakhs) is presented as current, since the Group does not have an unconditional right to defer settlement for any

## INDEPENDENT AUDITOR’S REPORT

**To the Members of Indiabulls Real Estate Limited**

**Report on the Audit of the Standalone Financial Statements**

**Opinion**

1. We have audited the accompanying standalone financial statements of Indiabulls Real Estate Limited ('the Company'), which comprise the Balance Sheet as at 31 March 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the state of affairs (financial position) of the Company as at 31 March 2019, and its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

**Basis for Opinion**

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key Audit Matters**

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
5. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	How our audit addressed the Key Audit Matter
<p><b>Accounting for sale of stake in a subsidiary</b></p> <p>The Company’s policies on the accounting for sale of investments is set out in note 5.6 to the standalone financial statements.</p> <p>During the year, the Company has executed definitive agreement to divest 100% stake in tranches in one of its wholly owned subsidiary and as part of said transaction, during the year, the Company has divested partial stake (through sale and buy back) in the said subsidiary which has resulted in loss of control.</p> <p>The sale resulted in recognition of profit on sale of investments amounting to ₹ 9,787.59 lakhs as presented in note 25 to the standalone financial statements.</p> <p>Investment held for remaining stake amounting to ₹ 29,216.56 lakhs is classified as 'Investments held for sale' as presented in note 18 to the standalone financial statements. This was fair valued on the basis of the agreed total sales consideration for the entity, and has resulted in a gain on fair valuation of ₹ 5,489.80 lakhs as disclosed in note 18 to the standalone financial statements.</p>	<p>Our audit procedures in relation to the accounting for sale of stake in a subsidiary included, but not limited to the following:</p> <ul style="list-style-type: none"> <li>• Understood the nature of transaction i.e. understanding of the contract terms of multiple agreements with respect to the sale and assessing the proposed accounting treatment in relation to the accounting policies and relevant Ind AS;</li> <li>• Reviewed the management’s process for review and implementation of such transactions;</li> <li>• Tested the completeness and accuracy of the data used in the computation of profit on sale of investments and gain on fair valuation of the remaining stake; and</li> <li>• Ensured appropriate disclosures in the standalone financial statements with respect to sale of stake in the subsidiary.</li> </ul>

Key Audit Matter	How our audit addressed the Key Audit Matter
<p>The above transaction required audit focus due to complex contractual terms, multiple agreements (judgement involved) and due to the significant impact on standalone financial statement, the matter has been considered to be of most significance to the audit and accordingly, has been considered as a key audit matter for the current year audit.</p>	
<p><b>Impairment assessment of investments and loans made to its subsidiaries and joint ventures</b></p> <p>The Company’s policies on the impairment assessment of the investments and loans is set out in note 5.12 to the standalone financial statements.</p> <p>The Company has made investments amounting to ₹ 597,518.31 lakhs and has given loans amounting to ₹ 361,000.12 lakhs to its subsidiaries and joint ventures as at 31 March 2019 as disclosed under the note 8A, 8B and note 9B to the standalone financial statements.</p> <p>Impairment assessment of these investments and loans is considered as a significant risk as there is a risk that recoverability of the investments and loans could not be established, and potential impairment charge might be required to be recorded in the standalone financial statements. The recoverability of these investments is inherently subjective due to reliance on either the net worth of investee or valuations of the properties held or cash flow projections of real estate properties in these investee companies.</p> <p>However, due to their materiality in the context of the Company’s financial statements as a whole and significant degree of judgement and subjectivity involved in the estimates and key assumptions used in determining the cash flows used in the impairment evaluation, this is considered to be the area to be of most significance to the audit and accordingly, has been considered as a key audit matter for the current year audit.</p>	<p>Our procedures in relation to the impairment assessment of investments and loans included, but not limited to the following:</p> <ul style="list-style-type: none"> <li>• Assessed the appropriateness of the Company’s accounting policy by comparing with applicable Ind AS.</li> <li>• We obtained an understanding of the management process for identification of possible impairment indicators and process performed by the management for impairment testing.</li> <li>• Enquired of the management and understood the internal controls related to completeness of the list of loans and investment along with the process followed to recover/adjust these and assessed whether further provisioning is required.</li> <li>• Performed test of details:             <ol style="list-style-type: none"> <li>a. For all significant additions made during the year, underlying supporting documents were verified to ensure that the transaction has been accurately recorded in the standalone financial statement;</li> <li>b. For all significant investments and loans outstanding as at 31 March 2019, confirmations were circulated and received. Further, all the significant reconciling items were tested;</li> <li>c. All material investments and significant loans as at 31 March 2019 were discussed on case to case basis with the management for their plan of recovery/adjustment;</li> <li>d. Compared the carrying value of material investments and significant loans to the net assets of the underlying entity, to identify whether the net assets, being an approximation of their minimum recoverable amount, were in excess of their carrying amount; and</li> <li>e. Wherever the net assets were lower than the recoverable amount, for material amounts:                 <ol style="list-style-type: none"> <li>i. We obtained and verified the management certified cash flow projections of real estate properties and tested the underlying assumptions used by the management in arriving at those projections;</li> <li>ii. We challenged the managements on the underlying assumptions used for the cash flow projections, considering evidence available to support these assumptions and our understanding of the business;</li> <li>iii. We obtained and verified the valuation of land parcels as per the government prescribed circle rates; and</li> <li>iv. We assessed the appropriateness and adequacy of the disclosures made by the management for the impairment losses recognized in accordance with applicable accounting standards.</li> </ol> </li> </ol> </li> </ul>

### Information other than the Financial Statements and Auditor's Report thereon

6. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

#### Responsibilities of Management and Those charged with governance for the Standalone Financial Statements

7. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
8. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

9. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
11. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls;
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of

our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
  13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
  14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Report on Other Legal and Regulatory Requirements

15. As required by section 197(16) of the Act, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.
16. As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure A a statement on the matters specified in paragraphs 3 and 4 of the Order.
17. Further to our comments in Annexure A, as required by section 143(3) of the Act, we report that:
  - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

- c) the standalone financial statements dealt with by this report are in agreement with the books of account;
- d) in our opinion, the aforesaid standalone financial statements comply with Ind AS specified under section 133 of the Act;
- e) on the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2019 from being appointed as a director in terms of section 164(2) of the Act;
- f) we have also audited the internal financial controls over financial reporting (IFCoFR) of the Company as on 31 March 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date and our report dated 23 April 2019 as per Annexure B expressed unmodified opinion; and
- g) with respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
  - i. the Company, as detailed in note 38A to the standalone financial statements, has disclosed the impact of pending litigations on its financial position as at 31 March 2019;
  - ii. the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2019;
  - iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31 March 2019; and
  - iv. the disclosure requirements relating to holdings as well as dealings in specified bank notes were applicable for the period from 8 November 2016 to 30 December 2016, which are not relevant to these standalone financial statements. Hence, reporting under this clause is not applicable.

**Annexure A to the Independent Auditor's Report of even date to the members of Indiabulls Real Estate Limited, on the standalone financial statements for the year ended 31 March 2019**

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment and intangible assets.
- (b) The property, plant and equipment have been physically verified by the management during the year and no material discrepancies were noticed on such verification. In our opinion, the frequency of verification of the property, plant and equipment is reasonable having regard to the size of the Company and the nature of its assets.
- (c) The Company does not hold any immovable property (in the nature of 'property, plant and equipment'). Accordingly, the provisions of clause 3(i)(c) of the Order are not applicable.
- (ii) In our opinion, the management has conducted physical verification of inventory at reasonable intervals during the year and no material discrepancies between physical inventory and book records were noticed on physical verification.
- (iii) The Company has granted interest free as well as interest bearing unsecured loans to companies covered in the register maintained under Section 189 of the Act; and with respect to the same:
  - (a) in our opinion the terms and conditions of grant of such loans are not, prima facie, prejudicial to the Company's interest.
  - (b) the schedule of repayment of principal has been stipulated wherein the principal amounts are repayable on demand and since the repayment of such loans has not been demanded, in our opinion, repayment of the principal amount and the interest are regular, except for the loans given to the companies which are interest free; and
  - (c) there is no overdue amount in respect of loans granted to such companies.
- (iv) In our opinion, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of loans, investments, guarantees and security.
- (v) In our opinion, the Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under sub-section (1) of Section 148 of the Act in respect of Company's products/services and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) (a) The Company is generally regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, goods and services tax, cess and other material statutory dues, as applicable, to the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they become payable.
- (b) The dues outstanding in respect of income-tax, sales-tax, service-tax, duty of customs, duty of excise and value added tax on account of any dispute, are as follows:

**Statement of Disputed Dues**

Name of the statute	Nature of dues	Amount (₹ in lakhs)	Amount paid under protest (₹ in lakhs)	Period to which the amount relates	Forum where dispute is pending
Income-tax Act, 1961	Disallowance under section 14A	146.26	-	Assessment Year 2009-10	Hon'ble High Court of Mumbai

The Finance Act, 2004 and Service tax rules	Denial of service tax input credit	1,695.25	-	Assessment year 2011-12 to 2014-15	Assistant Commissioner of Service Tax

- (viii) The Company has not defaulted in repayment of loans or borrowings to any bank or any dues to debenture-holders during the year. Further, the Company has no loans or borrowings payable to financial institution or government during the year.
- (ix) The Company did not raise moneys by way of initial public offer or further public offer (equity instruments). In our opinion, the Company has applied money raised by issuance of non-convertible debt instruments and the term loans for the purposes for which those were raised.
- (x) No fraud by the Company or on the Company by its officers or employees has been noticed or reported during the period covered by our audit.
- (xi) Managerial remuneration has been paid and provided by the Company in accordance with the requisite approvals mandated by the provisions of Section 197 of the Act read with Schedule V to the Act.
- (xii) In our opinion, the Company is not a Nidhi Company. Accordingly, provisions of clause 3(xii) of the Order are not applicable.
- (xiii) In our opinion all transactions with the related parties are in compliance with Sections 177 and 188

of Act, where applicable, and the requisite details have been disclosed in the financial statements etc., as required by the applicable Ind AS.

- (xiv) During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures.
- (xv) In our opinion, the Company has not entered into any non-cash transactions with the directors or persons connected with them covered under Section 192 of the Act.
- (xvi) As detailed in Note 44 to the financial statement, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

**Annexure B to the Independent Auditor's Report of even date to the members of Indiabulls Real Estate Limited, on the standalone financial statements for the year ended 31 March 2019**

**Independent Auditor's Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

1. In conjunction with our audit of the standalone financial statements of Indiabulls Real Estate Limited ('the Company') as at and for the year ended 31 March 2019, we have audited the internal financial controls over financial reporting ('IFCoFR') of the Company as at that date.

**Management's Responsibility for Internal Financial Controls**

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditor's Responsibility**

3. Our responsibility is to express an opinion on the Company's IFCoFR based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of IFCoFR, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR includes obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's IFCoFR.

**Meaning of Internal Financial Controls over Financial Reporting**

6. A company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's IFCoFR include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

7. Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that the IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

8. In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting and such controls were operating effectively as at 31 March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019 (contd.)

### 1. Nature of principal activities

Indiabulls Real Estate Limited ('the Company') was incorporated on 04 April 2006 with the main objects of carrying on the business of real estate properties advisory, properties marketing, maintenance of completed properties, engineering, industrial and technical consultancy, construction and development of real estate properties and other related and ancillary activities. The Company is domiciled in India and its registered office is situated at M-62 and 63, First Floor, Connaught Place, New Delhi – 110001.

### 2. General information and statement of compliance with Ind AS

These standalone financial statements ('financial statements') of the Company have been prepared in accordance with the Indian Accounting Standards as notified under section 133 of the Companies Act 2013 read with the Companies (Indian Accounting Standards) Rules 2015 (by Ministry of Corporate Affairs ('MCA')), as amended and other relevant provisions of the Act. The Company has uniformly applied the accounting policies during the periods presented.

The financial statements for the year ended 31 March 2019 were authorized and approved for issue by the Board of Directors on 23 April 2019. The revisions to the financial statements is permitted by the Board of Directors after obtaining necessary approvals or at the instance of regulatory authorities as per provisions of the Act.

### 3. Basis of accounting

The financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. Further, the financial statements have been prepared on historical cost basis except for certain financial assets and financial liabilities and share based payments which are measured at fair values as explained in relevant accounting policies. Fair valuations related to financial assets and financial liabilities are categorised into level 1, level 2 and level 3 based on the degree to which the inputs to the fair value measurements are observable.

### 4. Recent accounting pronouncement

#### Ind AS 116, Leases

On 30 March 2019, Ministry of Corporate Affairs ('MCA') has clarified that Ind AS 116 is effective for annual periods beginning on or after 1 April 2019 and it replaces Ind AS 17 Leases, including appendices thereto. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single on-balance sheet model similar to the accounting for finance leases under Ind AS 17. The standard includes two recognition exemptions for lessees - leases of 'low-value' assets and short-term leases (i.e., leases with a lease term of 12 months or less). At the commencement date of a lease, a lessee will recognise a liability to make lease payments (i.e., the lease liability) and an asset representing the right to use the underlying asset during the lease term (i.e., the right-of-use asset). Lessees will be required to separately recognise the interest expense on the lease liability and the depreciation expense on the right-of-use asset. The Company is evaluating the requirements of the amendment and the effect on the financial statements is being evaluated.

#### Amendment to Ind AS 12, Income taxes

On 30 March 2019, Ministry of Corporate Affairs ("MCA") has notified Appendix C to Ind-AS 12 Income taxes – "Uncertainty over Income Tax Treatments". The amendment to Ind AS 12 requires the entities to consider recognition and measurement requirements when there is uncertainty over income tax treatments. In such a circumstance, an entity shall recognise and measure its current or deferred tax asset or liability accordingly. The effective date of amendment is 1 April 2019. Further, there has been amendments in relevant paragraphs in Ind-AS 12 "Income Taxes" which clarifies that an entity shall recognize the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognized those past transactions or events in accordance with Ind-AS 109. The Company is evaluating the requirements of the amendments and their impact on the financial statements.

#### Amendment to Ind AS 19, Employee benefits

On 30 March 2019, Ministry of Corporate Affairs ("MCA") has issued an amendment to Ind AS 19 which requires the entities to determine current service cost using actuarial assumptions and net interest using discount rate determined at the start of the annual reporting period. However, if an entity re-measures the net defined benefit liability (asset) as

per the requirement of the standard, it shall determine current service cost and net interest for the remainder of the annual reporting period after the plan amendment, curtailment or settlement using the actuarial assumptions used to re-measure the net defined benefit liability (asset). The effective date of amendment is April 1, 2019. The Company is evaluating the requirements of the amendments and their impact on the financial statements.

### **Amendment to Ind AS 23, Borrowing costs**

On 30 March 2019, Ministry of Corporate Affairs (“MCA”) issued an amendment to Ind-AS 23 “Borrowing Costs” clarifies that if any specific borrowing remains outstanding after the related asset is ready for its intended use or sale, that borrowing becomes part of the funds that an entity borrows generally when calculating the capitalization rate on general borrowings. This amendment is effective for annual periods beginning on or after 1 April 2019. The Company is evaluating the requirements of the amendments and their impact on the financial statements.

### **Amendment to Ind AS 109, Financial instruments**

On 30 March 2019, Ministry of Corporate Affairs (“MCA”) issued an amendment to Ind-AS 109 in respect of prepayment features with negative compensation, which amends the existing requirements in Ind-AS 109 regarding termination rights in order to allow measurement at amortized cost (or, depending on the business model, at fair value through other comprehensive income) even in the case of negative compensation payments. This amendment is effective for annual periods beginning on or after 1 April 2019. The Company is evaluating the requirements of the amendments and their impact on the financial statements.

## **5. Summary of significant accounting policies**

The financial statements have been prepared using the significant accounting policies and measurement bases summarised below. These were used throughout all periods presented in the financial statements.

### **5.1 Current versus non-current classification**

All assets and liabilities have been classified as current or non-current as per the Company’s normal operating cycle and other criteria set out in Companies Act 2013. Deferred tax assets and liabilities are classified as non-current assets and non-current liabilities, as the case may be.

### **5.2 Property, plant and equipment (PPE)**

#### *Recognition and initial measurement*

Property, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset’s carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognised in Statement of Profit and Loss as incurred.

#### *Subsequent measurement (depreciation and useful lives)*

Depreciation on property, plant and equipment is provided on the straight-line method, computed on the basis of useful lives (as set out below) prescribed in Schedule II to the Companies Act, 2013.

<b>Asset class</b>	<b>Useful life</b>
Plant and equipment	12 – 15 years
Office equipment	5 years
Computers	3 – 6 years
Furniture and fixtures	10 years
Vehicles	8 years

The residual values, useful lives and method of depreciation are reviewed at the end of each financial year.

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019 (contd.)

### *De-recognition*

An item of property, plant and equipment initially recognised is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognised in statement of profit and loss when the asset is derecognised.

### **5.3 Intangible assets**

#### *Recognition and initial measurement*

Intangible assets (softwares) are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

#### *Subsequent measurement (amortisation)*

The cost of capitalized software is amortized over a period in the four years from the date of its acquisition.

### *De-recognition*

Intangible asset is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the statement of profit and loss, when the asset is derecognised.

### **5.4 Asset held for sale**

Non-current assets are classified as held for sale if their sale is considered highly probable. They are measured at fair value less cost to sell.

### **5.5 Inventories**

Land other than that transferred to real estate properties under development is valued at lower of cost or net realizable value.

Real estate properties (developed and under development) includes cost of land under development, internal and external development costs, construction costs, and development/construction materials, borrowing costs and related overhead costs and is valued at lower of cost or net realizable value.

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs of necessary to make the sale.

### **5.6 Revenue recognition**

Revenue is recognised when control is transferred and is accounted net of rebate and taxes. The Company applies the revenue recognition criteria to each nature of the revenue transaction as set out below.

#### *Revenue from real estate properties advisory and management services*

Income arising from real estate properties advisory services is recognised in the period in which the services are being rendered. The Company considers the terms of the contract and its customary business practices to determine the transaction price. The consideration promised in a contract with a customer may include fixed consideration, variable consideration (if reversal is less likely in future), or both.

#### *Profit on sale of investment with underlying business*

Profit on sale of investments of entities in the real estate business is recognised in the year in such investments are sold after adjusting the consideration received with carrying value of investment. The said profit is recognised as part of other operating income as in substance, such sale reflects the sale of real estate business.

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019 (contd.)

### *Dividend income*

Dividend income is recognised at the time when right to receive the payment is established, which is generally when the shareholders approve the dividend.

### *Interest income*

Interest income is recorded on accrual basis using the effective interest rate (EIR) method.

### *Gain on amortised cost financial assets*

Gain on de-recognition of amortised cost financial assets is recognised in the year when the entire payment is received against the outstanding balance of amortised cost financial assets.

### **5.7 Borrowing costs**

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is necessary to complete and prepare the asset for its intended use or sale. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the statement of profit and loss as incurred.

### **5.8 Operating leases**

Assets acquired on leases where a significant portion of risk and rewards of ownership are retained by the lessor are classified as operating leases. Lease rental are charged to statement of profit and loss on straightline basis except where scheduled increase in rent compensate the lessor for expected inflationary costs.

### **5.9 Impairment of non-financial assets**

At each reporting date, the Company assesses whether there is any indication that an asset may be impaired, based on internal or external factors. If any such indication exists, the recoverable amount of the asset or the cash generating unit is estimated. If such recoverable amount of the asset or cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If, at the reporting date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount. Impairment losses previously recognized are accordingly reversed in the Statement of Profit and Loss.

### **5.10 Foreign currency**

#### *Functional and presentation currency*

The financial statements are presented in Indian Rupee ('INR' or '₹') which is also the functional and presentation currency of the Company.

#### *Transactions and balances*

Foreign currency transactions are recorded in the functional currency, by applying to the exchange rate between the functional currency and the foreign currency at the date of the transaction.

Foreign currency monetary items are converted to functional currency using the closing rate. Non-monetary items denominated in a foreign currency which are carried at historical cost are reported using the exchange rate at the date of the transaction.

Exchange differences arising on monetary items on settlement, or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the Statement of Profit and Loss in the year in which they arise.

### **5.11 Investments**

Investment in equity instruments of subsidiaries and joint ventures are measured at cost as per Ind AS 27 'Separate Financial Statements'.

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019 (contd.)

### 5.12 Financial instruments

#### Non-derivative financial assets

##### *Recognition and initial measurement*

All financial assets are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial asset is also adjusted.

##### *Subsequent measurement*

i. **Debt instruments at amortised cost** – A ‘debt instrument’ is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

ii. **Equity investments** – All equity investments in scope of ‘Ind AS 109 Financial Instruments’ (‘Ind AS 109’) are measured at fair value. Equity instruments which are held for trading are generally classified as at fair value through profit and loss (FVTPL). For all other equity instruments, the Company decides to classify the same either as at fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL).

iii. **Mutual funds** – All mutual funds in scope of Ind AS 109 are measured at fair value through profit and loss (FVTPL).

##### *De-recognition of financial assets*

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

#### Non-derivative financial liabilities

##### *Recognition and initial measurement*

All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted.

##### *Subsequent measurement*

Subsequent to initial recognition, financial liabilities are measured at amortised cost using the effective interest method.

##### *De-recognition of financial liabilities*

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

#### Derivatives

The Company has entered into certain forward (derivative) contracts to hedge risks. These derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period. Any profit or loss arising on cancellation or renewal of such derivative contract is recognised as income or as expense for the period.

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019 (contd.)

### Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

### 5.13 Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets. The Company factors historical trends and forward looking information to assess expected credit losses associated with its assets and impairment methodology applied depends on whether there has been a significant increase in credit risk.

#### *Trade receivables*

In respect of trade receivables, the Company applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

#### *Other financial assets*

In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses. The Company assumes that the credit risk on a financial asset has not increased significantly since initial recognition, if the financial asset is determined to have low credit risk at the balance sheet date.

### 5.14 Income taxes

Tax expense recognized in Statement of Profit and Loss comprises the sum of deferred tax and current tax except the ones recognized in other comprehensive income or directly in equity.

Current tax is determined as the tax payable in respect of taxable income for the year and is computed in accordance with relevant tax regulations. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Minimum alternate tax ('MAT') credit entitlement is recognised as an asset only when and to the extent there is convincing evidence that normal income tax will be paid during the specified period. In the year in which MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the statement of profit and loss and shown as MAT credit entitlement. This is reviewed at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent it is not reasonably certain that normal income tax will be paid during the specified period.

Deferred tax is recognised in respect of temporary differences between carrying amount of assets and liabilities for financial reporting purposes and corresponding amount used for taxation purposes. Deferred tax assets on unrealised tax loss are recognised to the extent that it is probable that the underlying tax loss will be utilised against future taxable income. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside statement of profit and loss is recognised outside Statement of Profit or Loss (either in other comprehensive income or in equity).

### 5.15 Cash and cash equivalents

Cash and cash equivalents comprise cash on hand, demand deposits and other short-term highly liquid investments

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019 (contd.)

that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

### 5.16 Employee benefits

#### *Defined contribution plan*

The Company's contribution to provident fund is charged to the statement of profit and loss or inventorized as a part of real estate properties under development, as the case may be. The Company's contributions towards provident fund are deposited with the regional provident fund commissioner under a defined contribution plan.

#### *Defined benefit plan*

The Company has unfunded gratuity as defined benefit plan where the amount that an employee will receive on retirement is defined by reference to the employee's length of service and final salary. The liability recognised in the balance sheet for defined benefit plans as the present value of the defined benefit obligation (DBO) at the reporting date. Management estimates the DBO annually with the assistance of independent actuaries. Actuarial gains/losses resulting from re-measurements of the liability are included in other comprehensive income.

#### *Other long-term employee benefits*

The Company also provides benefit of compensated absences to its employees which are in the nature of long-term employee benefit plan. Liability in respect of compensated absences becoming due and expected to be availed more than one year after the balance sheet date is estimated on the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method as on the reporting date. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are recorded in the statement of profit and loss in the year in which such gains or losses arise.

#### *Short-term employee benefits*

Short-term employee benefits comprise of employee costs such as salaries, bonus etc. is recognized on the basis of the amount paid or payable for the period during which services are rendered by the employee.

### 5.17 Share based payments

Share based compensation benefits are provided to employees via Employee Stock Option Plans (ESOPs). The employee benefit expense is measured using the fair value of the employee stock options and is recognised over vesting period with a corresponding increase in equity. The vesting period is the period over which all the specified vesting conditions are to be satisfied. On the exercise of the employee stock options, the employees will be allotted equity shares of the Company.

### 5.18 Provisions, contingent liabilities and contingent assets

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognized nor disclosed. However, when realization of income is virtually certain, related asset is recognized.

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019 (contd.)

### 5.19 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

### 5.20 Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the related disclosures.

#### *Significant management judgements*

**Recognition of deferred tax assets** – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized.

**Evaluation of indicators for impairment of assets** – The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

**Recoverability of advances/receivables** – At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit losses on outstanding receivables and advances.

**Provisions** – At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.

#### *Significant estimates*

**Useful lives of depreciable/amortisable assets** – Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utilisation of assets.

**Defined benefit obligation (DBO)** – Management's estimate of the DBO is based on a number of underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

**Fair value measurements** – Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

#### Earnings per share (EPS)

Earnings per Share ('EPS') is determined based on the net profit attributable to the shareholders' of the Company. Basic earnings per share is computed using the weighted average number of shares outstanding during the year. Diluted earnings per share is computed using the weighted average number potential equity shares outstanding during the year including share options, except where the result would be anti-dilutive. Weighted average number of equity shares includes impact of buy back of equity shares during the year.

**SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019 (contd.)**

The following reflects the income and share data used in the basic and diluted EPS computations:

	31 March 2019	31 March 2018
Profit/(loss) attributable to equity holders (₹ in lakhs)	10,601.19	(1,975.35)
Nominal value of equity share (₹)	2.00	2.00

**Fair value measurements**

**(i) Fair value hierarchy**

Financial assets and financial liabilities measured at fair value in the financial statements are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

**Level 1:** quoted prices (unadjusted) in active markets for financial instruments.

**Level 2:** inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

**Level 3:** unobservable inputs for the asset or liability.

**(ii) Financial assets measured at fair value**

The above disclosures is presented for non-current financial assets and non-current financial liabilities. Carrying value of current financial assets and current financial liabilities (investments, trade receivables, cash and cash equivalents, other bank balances, loans, other financial assets, borrowings and other current financial liabilities) represents the best estimate of fair value.

\* A part of the non-convertible redeemable debentures issued by the Company are listed on stock exchange and there is no comparable instrument having the similar terms and conditions with related security being pledged and hence the carrying value of the debentures represents the best estimate of fair value.

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019 (contd.)

### (iii) Risk management

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

#### A. Credit risk

Credit risk is the risk that a counterparty fails to discharge its obligation to the Company. The Company's exposure to credit risk is influenced mainly by cash and cash equivalents, other bank balances, trade receivables and financial assets measured at amortised cost. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls.

#### (a) Credit risk management

##### (i) Credit risk rating

The Company assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

A: Low credit risk

B: Moderate credit risk

C: High credit risk

Asset group	Basis of categorisation	Provision for expenses credit loss
A: Low credit risk	Investments, trade receivables, cash and cash equivalents, other bank balances, loans and other financial assets	12 month expected credit loss/Life time expected credit loss
C: High credit risk	Trade receivables and loans	Life time expected credit loss/fully provided for

Based on business environment in which the Company operates, a default on a financial asset is considered when the counter party fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions.

Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or a litigation decided against the Company. The Company continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognised in statement of profit and loss.

### Note – 40

#### Employee benefits

##### Defined contribution plan

The Company has made ₹ 3.05 lakhs (31 March 2018 - ₹ 2.86 lakhs) contribution in respect of provident fund.

##### Defined Benefit Plan

The Company has the following Defined Benefit Plans:

- Gratuity (Unfunded)
- Compensated absences (Unfunded)

##### Risks associated with plan provisions

Discount rate risk	Reduction in discount rate in subsequent valuations can increase the liability.
Mortality risk	Actual death and liability cases proving lower or higher than assumed in the valuation can impact the liabilities.
Salary risk	Actual salary increase will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.
Withdrawal risk	Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact liability.

##### Compensated absences

The leave obligations cover the Company's liability for permitted leaves. The amount of provision of ₹ 0.60 lakhs (31 March 2018 - ₹ 0.46 lakhs) is presented as current, since the Company does not have an unconditional right to defer settlement for any of these obligations. However based on past experience, the Company does not expect all employees to take the full amount of accrued leave or require payment within the next 12 months, therefore based on the independent actuarial report, only a certain amount of provision has been presented as current and remaining as non-current. The weighted average duration of the defined benefit obligation is 13.02 years (31 March 2018: 14.09 years).
