5. THE OFFEROR'S INTENTIONS IN RELATION TO IPIT

5.1 Rationale for the Acquisition and the Offer. As set out in **paragraph 1** of this Announcement, the Offeror is making the Offer in compliance with the requirements of the Code, as the Offeror together with the other Relevant Persons, have acquired 7,540,300 Units, representing more than one per cent. of the total Units, during a period of six months, as a result of the Acquisition.

5.2 The Offeror's Intentions for IPIT. The Offeror intends for IPIT to continue its existing business activities and there are no plans to (i) introduce any major changes to the business of IPIT or the operations of any of its subsidiaries, (ii) re-deploy any of the fixed assets of IPIT or (iii) discontinue the employment of any of the existing employees of IPIT or its subsidiaries, other than in the ordinary course of business. However, the Offeror retains the flexibility at any time to consider any options or opportunities in relation to IPIT which may present themselves and which the Offeror may regard to be in the best interests of IPIT.

6. COMPULSORY ACQUISITION

Pursuant to Section 40A(1) of the BTA, if the Offeror receives valid acceptances pursuant to the Offer or acquires Offer Units during the offer period otherwise than through valid acceptances of the Offer, in respect of not less than 90 per cent. of the Offer Units, the Offeror will be entitled to exercise the right to compulsorily acquire all the Units of the Unitholders who have not accepted the Offer on the same terms as those offered under the Offer.

In such event, the Offeror intends to exercise its right to compulsorily acquire all the Offer Units not acquired under the Offer. The Offeror will then proceed to delist IPIT from the SGX-ST.

7. LISTING STATUS OF IPIT

Under Rule 723 of the SGX-ST Listing Manual (the "**Listing Manual**"), IPIT must ensure that at least 10 per cent. of the total number of Units is at all times held by the public (the "**Unitholding Requirement**"). Under Rule 1105 of the Listing Manual, in the event that the Offeror and parties acting in concert with the Offeror should, as a result of the Offer or otherwise, own or control more than 90 per cent. of the Units, the SGX-ST may suspend the trading of the Units on the SGX-ST until such time when the SGX-ST is satisfied that at least 10 per cent. of the issued Units are held by at least 500 Unitholders of IPIT who are members of the public.

In addition, under Rule 724 of the Listing Manual, if the Unitholding Requirement is not complied with, IPIT must, as soon as possible, announce that fact and the SGX-ST may suspend trading of all the Units on the SGX-ST. Rule 725 of the Listing Manual states that the SGX-ST may allow IPIT a period of three months, or such longer period as the SGX-ST may agree, for the proportion of the Units held by members of the public to be raised to at least 10 per cent., failing which IPIT may be de-listed from the SGX-ST.

In the event the Offeror is unable to exercise the right to compulsorily acquire all the Offer Units not acquired under the Offer as set out in **paragraph 6** above and IPIT does not meet the Unitholding Requirement under Rule 723 of the Listing Manual, the Offeror and parties acting in concert with the Offeror do not intend to maintain or support any action taken or to be taken to meet the Unitholding Requirement or maintain the present listing status of IPIT.

Accordingly, the Offeror and parties acting in concert with the Offeror do **not** intend to place out any Units held by the Offeror and parties acting in concert with the Offeror to members of the public to meet the Unitholding Requirement, and if IPIT does not meet the requirements under Rule 723 of the Listing Manual, the SGX-ST may suspend trading of the Units on the SGX-ST following the close of the Offer.
