Third UP minister quits as BJP okays list for 172 seats

PM Modi chairs party meeting virtually; CM Adityanath may fight from Ayodhya

PRESS TRUST OF INDIA
New Delhi, 13 January

Other backward class (OBC) leader Dharam Singh Saini on Thursday became the third minister to quit the Uttar Pradesh Cabinet as the Bharatiya Janta Party (BJP) finalised its candidates for 172 Assembly seats.

The party is likely to field both Chief Minister (CM) Yogi Adityanath and Deputy CM Keshav Prasad Maurya, who are currently members of the legislative council, leaders said. Also on Thursday, Shikohabad BJP MLA Mukesh Verma resigned from the party. Polling in most of these 172 seats will be held in the initial phases beginning February 10 and the party is also considering fielding the other Deputy CM Dinesh Sharma and state unit president Swatantra Dev Singh.

Addressing the media at the BJP headquarters, Maurya said the party held wider deliberations on the 172 assembly seats. BJP president J P Nadda and Union Ministers Rajnath Singh and Nitin Gadkari, all three of whom have contracted Covid-19, joined the meeting via video conferencing, while Home Minister Amit Shah and several other leaders besides those from UP, met physically.

Prime Minister Narendra Modi chaired the meeting virtually.

Earlier, Saini, who was the minister of state (independent charge) for Ayush, appeared headed to the Akhilesh Yadav-led Samajwadi Party as Yadav posted a picture of himself with Saini on Twitter. The SP president had earlier put out pic-

Delhi CM Arvind Kejriwal (left) and AAP Punjab chief Bhagwant Mann, in Chandigarh on Thursday

Kejriwal says Mann ki baat', then asks people to choose AAP CM face

Aam Aadmi Party (AAP) national convener and Delhi Chief Minister Arvind Kejriwal asked people on Thursday who should be the party's chief ministerial face in the February 14 Punjab Assembly polls, even as he stated that his own preference for the post is Bhagwant Mann.

He also ruled himself out of the race as the AAP launched its 'Janta Chunegi Apna CM' drive and said the name of the top post will be

announced after getting the feedback of people.

In the presence of Mann, the Delhi chief minister launched a mobile number — 7074870748 — on which people can give their opinion till 5 pm on January 17. "No, Arvind Kejriwal is not in this," Kejriwal said.

"Bhagwant Mann is my younger brother. I had said he should be made the chief minister, but he said people should be asked first."

tures of OBC leaders Swami Prasad Maurya and Dara Singh Chauhan with himself after the latter had resigned from the Adityanath cabinet on Tuesday and Wednesday, respectively.

In his resignation letter addressed to Governor Anandiben Patel, which was circulating on social media on Thursday, Saini said he was quitting over the continued neglect of the aspirations of dalits, backwards, farmers,

educated unemployed, and small and mid-level traders who together gave the BJP a sweeping majority in the 2017 UP elections.

Meanwhile, Verma cited UP government's 'lack of respect' towards backward classes and dalits as the reason behind his decision to resign.

Verma, who is also expected to join the SP, said he would continue the 'fight for justice' under Maurya.

Unnao rape victim's mother, Asha worker in Congress' list

The Congress on Thursday released its party's first list of 125 candidates, including 50 women, for the upcoming UP assembly elections, fielding the Unnao rape victim's mother Asha Singh from the Unnao assembly seat.

Anti-CAA activist and party spokesperson in Uttar Pradesh, Sadaf Jafar will be the Congress candidate from the Lucknow central seat. Asha worker and activist Poonam Pandey, who fought for the rights of Asha workers has been fielded from Shahjahanpur and Ram Raj Gond, a tribal leader who fought for the rights of Adivasis in Sonbhadra, has been fielded from the Ponga constituency in the state.

BSP's 300 are ready: Misra Meanwhile, the Bahujan Samaj Party (BSP) has already decided at least 300 of its total 403 candidates and of these, 90 are dalits, party general secretary S Misra said on Thursday.

Misra said they were yet to finalise their candidates as the parties lacked confidence in their leaders. "Of the 300 names finalised, 90 are dalits and their number will rise as candidates for the rest of the seats are decided," Misra said.

Meanwhile, the Samajwadi Party-Rashtriya Lok Dal alliance has announced its first list of 29 candidates for the first phase of Uttar Pradesh Assembly polls.

Backing VII's stance, Airtel, in its presentation to the regulator, has pointed out that the annual revenue realisation over the last decade per MHz has been falling. This, Airtel says, suggests that the expectation of the bidders about the incremental value of spectrum to be auctioned will be much lower in 2022 than before. For instance, the access revenue per MHz per year has fallen dramatically from ₹76 crore in 2014 to a mere ₹45 crore in 2021.

Airtel says this is reflected in the fact that a big chunk of the spectrum is remaining unsold because of the high base price. In 2014 the unsold spectrum on offer was only 18 per cent, but this has gradually climbed to 63 per cent in 2021. And on an average, the total spectrum which has remained unsold since the launch of the auction in 2010, is as high as 41 per cent across all bands.

Reliance Jio, too, is urging for a more rational pricing of spectrum. It has argued in its submission that the spectrum costs as a percentage of annual

recurring revenue is one of the highest in India — 32 per cent compared to 1 per cent in China, 8 per cent in the UK, 4 per cent in Brazil and 10 per cent in Germany.

₹6.5 trn...

The Centre's priority has been to boost economic activity, consumption and create jobs through increased spending on infrastructure. The states and the private sector have been incentivised to do the same. This priority will be there for FY23 as well," the second official said.

Provided that the current fiscal year's capex target of ₹5.54 trillion is met, even a 25 per cent increase from that would take the next year's capex BE to ₹6.9 trillion.

Finance Minister Nirmala Sitharaman, who will present the Budget on February 1, has been holding regular meetings with various ministries like railways, highways, power, shipping, coal, and civil aviation, and state-owned companies to monitor the progress of various projects.

The foundation of all these initiatives is the ₹111-trillion National Infrastructure Pipeline and the PM Gati Shakti National Masterplan.

The latter is aimed at ensuring more effective monitoring and better cooperation among central ministries and states in executing major infrastructure projects.

During pre-Budget consultations, industry bodies and economists have advised the finance minister to keep the spending tap open. T V Narendran, president of the Confederation of Indian Industries and chief executive officer of Tata Steel, recently told Business Standard: "We should continue to spend on infrastructure and the government's focus on investment should continue. While there is recovery, it needs to be sustained. Overall, there is fiscal space for us to continue to focus on investments and, more specifically, in infrastructure, because infrastructure is a driver of demand, competitiveness and employment."

However, for the ongoing fiscal year, there are still concerns. According to the data available on the Controller General of Accounts website, the Centre's capex outlay till November 30 was ₹2.74 trillion. While in absolute terms, it is slightly higher when compared with April-November 2020-21, as a percentage of the Budget target, it is lower, at 49.4 per cent compared with 58.5 per cent.

Adani...

"It will also help in strengthening India's standing in green businesses," Adani added.

The collaboration includes evaluating a joint integrated steel mill at Mundra based on POSCO's state-of-the-art technology and cutting-edge R&D capability.

POSCO and Adani intend to utilise renewable energy resources and green hydrogen in line with their ESG (environmental, social, and governance) commitments to sustainability and energy efficiency, the release said.

The South Korean steel producer has been looking to set up a greenfield steel plant in India for over a decade now. In 2005, the company had signed an MoU with the Odisha government to set up a \$12-billion plant. However, the company could not make much headway in the state due to sustained protests by locals and environmental concerns. Since then, POSCO has not participated in the growth story of the domestic steel industry in a big way. It also refrained from participating in the Insolvency and

Bankruptcy Code process.

Currently, POSCO runs POSCO-Maharashtra, a 1.8-million-tonne cold-rolled and galvanised mill, regarded as the most advanced automotive steel supplier in India, and four processing centres in Pune, Delhi, Chennai, and Ahmedabad.

The Adani group has been making sizeable investments lately to become the world's largest renewable energy company.

As on September 30, 2021, the group's total debt stood at ₹2.03 trillion, with a debt-equity ratio of 2.6. Among the group companies, Adani Green had the highest debt-equity ratio of 17.6, with Adani Power carrying the highest debt at ₹52,748 crore and the second-highest debt equity ratio of 3.9.

Modi...

Modi said Omicron was a new challenge that was leading to a rise in cases. He added while medical infrastructure and manpower had to be ramped up, vaccination remained the most potent way to deal with the pandemic, irrespective of the variants.

Urging the states to accelerate the "Har Ghar Dastak", door-to-door campaigns for vaccination, he said the sooner the precaution dose was administered to front line workers and senior citizens, the better prepared India's health care system would be.

About 92 per cent of the adults have taken their first dose of the Covid vaccine and close to 70 per cent are fully vaccinated. Nearly 30 million adolescents in the age group 15-17 have received their first dose in 10 days, Modi said.

While Jharkhand Chief Minister Hemant Soren highlighted the misconceptions in some rural and tribal areas creating hurdles in the vaccination drive, West Bengal Chief Minister Mamata Banerjee talked about the possible increase in cases in the state on account of upcoming festivities and the administration's preparations to tackle it.

"We must not become lax in our alertness in the festive season, but ensure there is no panic," Modi said.

He said initial scepticism about the Omicron variant was slowly getting cleared as it had shown to have infected the general population several times faster than the previous ones. The Omicron cases in India stand at 5,488.
