EMBASSY OFFICE OPPORTUNITIES FUND

Notes to the financial statements for the year ended March 31, 2026

1. Brief about the Entity

EMBASSY OFFICE OPPORTUNITIES FUND ("Fund") has been established as an irrevocable determinate trust under the Indian Trust Act, 1882 by way of an Indenture of Trust dated 14th October 2020. The Fund was settled by AXIS Trustee Services Limited ("Trustee"), who is also the trustee of the Fund. The Fund has been registered (registration certificate dated 22nd June 2021) with the Securities and Exchange Board of India ("SEBI") as Category II Alternate Investment Fund ("AIF") under the SEBI (Alternate Investment Fund) Regulations, 2012 ("AIF Regulations"). EMBASSY INVESTMENT MANAGEMENT SERVICES LLP ("Investment Manager") is the sponsor and the investment manager to the Fund.

The investment objective of the Fund is to achieve long term capital appreciation through Portfolio Investments, which relate to for-sale residential, commercial, retail and Mixed Use Developments.

The Fund has issued three classes of units: Class A units of face value of Rs. 100,000/- each issued to contributor of the Fund, Class B units of face value of Rs. 100,000/- each issued to Contributor and Class C units of face value of Rs. 100,000/- each issued to the sponsor.

The Fund shall be a close ended fund and the term of the Fund shall be 8 (eight) years from the Closing and can be further extended by the Investment Manager for 2 (two) extensions of 1 (one) year each, with unanimous Contributor Approval.

2. Summary of significant accounting policies

(i) Basis of preparation of financial statements

Since the scheme has been wound up, effective July 20, 2023, the financial statements have not been prepared on going concern basis, but have been prepared on liquidation basis and all assets and liabilities of the fund have been stated at realisable value of accounting and comply with the accounting standards prescribed therein accordance with the generally accepted accounting principles in India under the liquidation basis. The financial statements have been prepared to comply in all material aspects with the Accounting Standards prescribed by the Institute of Chartered Accountants of India to the extent applicable and conform to the generally accepted accounting principles prevailing in India except where otherwise stated.

The Fund is a Level IV enterprise within the framework of applicability of accounting standards as laid down by ICAI; and therefore, the Fund has availed all the disclosure exemptions available to it within the framework. Accordingly, disclosures relating to cash flow statement, segment reporting and related parties are not made in the financial statements.

(ii) Use of estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses and disclosure of contingent liabilities at the date of the financial statements. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

(iii) Contributions

Each Class of Unit Holders, in accordance with and subject to the terms of Contribution Agreement, agrees to make Capital Contributions and other contributions to the capital of the Fund, in cash from time to time, payable in INR, provided that each class of Unit Holder shall in no event be required to make Capital Contributions to the Fund on any date in an amount greater than its Unfunded Capital Commitment as of such date.

(iv) Current versus non-current classification

The Fund presents assets and liabilities in the standalone balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalents unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Fund classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Fund has identified twelve months as its operating cycle.

Notes to the financial statements for the year ended March 31, 2026

2. Summary of significant accounting policies (continued)

(v) Cash and bank balance

Cash and bank balance comprise of cash deposit with bank. The Fund considers all highly liquid investments such as fixed deposits that are readily convertible to known amounts of cash to be cash and bank balance.

(vi) Revenue recognition

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Fund which can be reliably measured and there is reasonable certainty towards collection of the said revenue.

Interest on bank deposits is recognised on time proportion basis.

Interest on delayed capital contributions by the contributors is recognized on receipt of such interest.

(vii) Provisions and Contingencies

Provisions comprise liabilities of uncertain timing or amount. A provision for a liability is made when the Fund recognises that it has a present obligation as a result of past events and it is more likely than not that an outflow of resources will be required to settle such obligation and the amount of liability can be reasonably estimated.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Loss contingencies arising from claims, litigation, assessment, fines, penalties, etc. are recorded when it is probable that a liability has been incurred and the amount can be reasonably estimated.

Contingent assets are not recognised in the Financial Statements.

(viii) Contributions and Distributions

The Fund has drawn down 0.065% of aggregate capital commitments from the Class A contributors amounting to Rs. 67.93/- lakhs out of total commitment of Rs 105,000 lakhs, and the entire amount of Rs. 67.93/- lakhs has been paid by all the contributors. Subsequently, the scheme has been wound up on July 20, 2023 and the units have been forfeited on July 23, 2023.

The Fund has drawn down 0.066% of aggregate capital commitments from the Class B contributor amounting to Rs. 16.98/- lakhs out of total commitment of Rs 25,750/- lakhs, and the entire amount of Rs. 16.98/- lakhs has been paid. Subsequently, the scheme has been wound up July 20, 2023 and the units have been forfeited on July 23, 2023.

The Fund has drawn down 100% of aggregate capital commitments from the Class C contributor amounting to Rs. 500 lakhs out of total commitment of Rs 500 Lakhs, and the entire amount of Rs. 500 Lakhs has been paid. Subsequently, the entire Class C units have been redeemed on July 23, 2023 and entire amount of Rs.500 Lakhs have been repaid.

(ix) Management Fees

In accordance with the Investment Management Agreement dated January 15, 2021 between the Trustee, AXIS Trustee Services Limited, Embassy Investment management Services LLP, Ivanhoe India Equities Inc., Embassy Property Developments Private Limited and Embassy Developments Limited, investment management fees are payable Quarterly to Embassy Investment management Services LLP as follows:

- The Investment Manager shall be entitled to a Management Fee during the term of the Fund equal to 1.25% per annum of the Net Invested Capital of IC.

No fees are to be charged to Class B and Class C Contributors.

The Fund has entered into termination agreement with the Investment Manager effective July 21, 2023. Hence no management fees have been charged for FY 2024-25 & 2025-26.

(x) Taxes

Embassy Office Opportunities Fund is a determinate investment fund established under the Indian Trust Act, 1882 vide Indenture of Trust dated 14th October 2020 has been registered with Securities and Exchange Board of India (SEBI) as Category II Alternate Investment Fund (Category II AIF) under the SEBI (AIF) Regulations, 2012 vide registration dated 22nd June, 2021.

The investment objective of the fund is to primarily invest in accordance with SEBI (AIF) Regulations, 2012 and to make investments as long term investments in companies as per AIF regulations to achieve long term capital appreciation in nature of interest, dividend or capital gain through combination of appropriate instruments.

Income-tax comprises of Current Tax and deferred tax. It is recognised to profit and loss account except to the extent an item recognised directly in reserves

Current Tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date. Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Current tax is calculated based on the following provisions of the Income tax act 1961:

1. Since the Scheme has wound up, all the income received (Interest income) are considered under other sources.

2. The Fund is considered as an investment fund in terms of Explanation 1 to section 115UB of the Income-tax Act, 1961 ("Act"). As per section 10(23FBA) read with section 115UB of the Act, the income of the Fund, other than the income chargeable under the head 'profits and gains of business or profession', shall be exempt from tax. Such income shall be taxable in the hands of the unit-holders in proportion to their share in the Fund on a pass through basis. Accordingly, for such income, the Fund has not made any provision for income-tax for the year ended March 31, 2026.

(xi) Prior period comparatives

Previous year figures have been regrouped and reclassified wherever necessary to confirm to current year's classification.

(xii) Termination of Fund

The Fund has entered into a termination agreement with the Trustee, Embassy Investment Management Services LLP ("Investment Manager" and "Sponsor"), Ivanhoe India Equities Inc. ("Investment Contributor") and Embassy Developments Limited ("Embassy Contributor") whereby the Trustee and the Investment Manager, believe in good faith, that liquidation of the Fund, would be in the best interests of the investors of the Fund. Accordingly, Investment manager, in terms of AIF Regulations, has obtained consent of 75% (Seventy Five Percent) of the Contributors by value of their investment in the Fund, for winding up of the Fund and the Fund has been wound up on July 20th, 2023. Also, the scheme launched under the Trust is being wound up and the Trust, along with the certificate of registration as a Category II AIF dated June 22, 2021, as issued by SEBI. Subsequent schemes may be launched under the trust in accordance with AIF Regulations.
