

## IT'S JUST THE BEGINNING: DHAKSHINESWAR SURESH

AMANPREET SINGH ■ Bengaluru

India's newest Davis Cup hero Dhakshineswar Suresh says his dream run for the country is "just the beginning" as he prepares to step into full-fledged competition on the ATP Tour after completing his studies at a US university. Pursuing communication studies at the Wake Forest University, the 25-year-old will complete his degree in May this year.

In just two ties since making his debut in September 2025, Dhakshineswar boasts an impressive 4-0 record, with three of those wins coming against the Netherlands in Bengaluru last weekend. "It's a long way to go. It's just the beginning," said Dhakshineswar, who matched Leander Paes' feat of winning three matches in a single tie back in 2004 against Japan.

Following Dhakshineswar's superlative show, India edged the Netherlands 3-2 to progress to the second round of the Davis Cup Qualifiers, where they will meet Korea in September.

India's Dhakshineswar Suresh being carried by teammates after India won the Davis Cup Qualifier round one against Netherlands at the SM Krishna Tennis Stadium, in Bengaluru, Karnataka

"I'll go back to the US to finish my studies, then come down in May and figure out my schedule. Once that's sorted, I'll start getting into the Tour and prepare for the next Davis Cup," he said.

On Dhakshineswar's remarkable record, captain Rohit Rajpal said, "There aren't many players who go 4-0 in Davis Cup rubbers, especially against quality opponents. He keeps coming up with big serves and big forehands, I hope he keeps enjoying his

tennis and keeps performing." Dhakshineswar said representing India had brought out a different side of his game. "It's a different feeling when you're playing for your country, you're not just playing for yourself, you're just playing for the whole nation. I played some different tennis in these matches and I'm really proud of that," he said.

The tall Chennai-born player, who played marathon singles and doubles matches over two days, credited the

support staff and team environment for his recovery and consistency.

"The physios and everyone took care of me really well. Team chemistry on and off the court makes a huge difference. Everyone trusting me helps me play good tennis," he added. Rajpal also lauded an injured Sumit Nagal for leading the team despite being far from full fitness.

"Sumit was not even 50 per cent fit. He had a grade two tear in his hip and we were working day and night with the physios. But he fought like a tiger and led the team like an India number one should." Rajpal singled out the contribution of the support staff, especially the physios, and said the tie underlined India's growing depth.

"With these guys, a strong doubles team and the bench strength we now have, India is a tough team to beat. If we play to our potential, we can take on anybody in the world," he said. Nagal, who lost both his singles matches after a three-week injury layoff, admitted it was a tough week but felt encouraged by his fight. (PTI)

## Italy enjoys a record-breaking day at Winter Olympics

ASSOCIATED PRESS ■ Milan

This could turn out to be Italy's best Winter Olympics ever after a record-breaking day on home snow and ice.

The host nation picked up six medals on Sunday, the most Italy has ever won in a single day at the Winter Olympics. The breakdown: one silver and five bronze. Ski star Sofia Goggia kicked it off with a bronze medal in the women's downhill and Lucia Dalmasso was also third in snowboarding's parallel giant slalom.

The Italy team won silver in the mixed relay biathlon race, and Riccardo Lorello claimed bronze in the men's speedskating 5,000 meters.

The official X account for the Milan Cortina Games proclaimed it to be Italy's best day in Winter Olympics history. And that was before

Domnik Fischnaller won bronze in men's singles luge, and before Italy took bronze in the figure skating team event in the evening.

"Competing at home is definitely something unique. The fans did their part," Lorello said. "I'm very happy to have put the cherry on top tonight. And I'm proud of all of my Italian teammates in the other sports."

Italy has nine medals after just two days of medal events, with the host nation winning gold, silver and bronze on Saturday.
