

Police ensured secure environment for progress in J&K: LG Manoj Sinha

PRESS TRUST OF INDIA
Jammu

Lieutenant Governor Manoj Sinha on Wednesday said peace is the fundamental prerequisite for development and credited the Jammu and Kashmir Police for maintaining a secure environment that enabled significant progress in the Union Territory over the past six years.

Calling for enhanced efficiency and professionalism, the Lieutenant Governor said terrorism survives on funding, networks, and support systems, which must be identified and dismantled systematically.

"Until peace is established, the dream of development cannot be fulfilled. In any part of the world where peace does not prevail, development is not possible," he said while addressing a gathering after distributing appointment letters

to 100 newly recruited constables. Sinha said the development witnessed in Jammu and Kashmir over the past six years was the result of the efforts of successive administrations and the people, but added that the Jammu and Kashmir Police also deserved credit for maintaining peace and creating an environment conducive to development.

He said the police force

has worked with a spirit of selfless service, collective welfare, and constructive public engagement despite operating in a challenging security environment.

"The force remains on the frontline in dealing with threats of terrorism emanating from across the border," he said. The Lieutenant Governor said security threats have evolved significantly, with terrorism now taking new and more complex forms, requiring constant vigilance and

alertness from security forces.

"Today, terrorists no longer come only with visible weapons, nor do they always appear in forms that can be easily identified. The nature of terrorism is changing and demands a new kind of alertness and constant vigilance," he said. He urged police personnel to remain continuously alert and cautious to ensure national security.

Sinha said officers of the Jammu and Kashmir Police have distinguished themselves through courage, commitment, and teamwork, and have carved a respected place in the history of the Union Territory as well as the nation.

"Whenever you wear the uniform of the Jammu and Kashmir Police, remember that you are carrying forward a glorious legacy and contributing to a continuing tradition of service and protection," he said.

Bihar Cabinet nods to IndiGo Gaya-Bangkok flights

PRESS TRUST OF INDIA Patna

The Bihar Cabinet on Wednesday gave its nod to IndiGo Airlines to operate direct flights on the Gaya-Bangkok route for 12 months to enhance international air connectivity.

The decision was taken at a Cabinet meeting chaired by Chief Minister Samrat Choudhary.

According to a proposal of the civil aviation department approved by the cabinet, Interglobe Aviation Limited (IndiGo) was selected on a nomination basis after it emerged as the sole bidder for providing non-stop international air service on the route.

The State Government said direct air connectivity between Gaya International Airport and Bangkok would facilitate easier travel for foreign tourists, particularly Buddhist pilgrims, and is expected to boost the State's tourism.

Every year, a large number of Buddhist tourists from Thailand visit Bodhi Gaya and other Buddhist religious destinations in the State.

"The commencement of this air service will promote Buddhist tourism and expand tourism-related activities in the State," the proposal said.

The Government said increased tourist footfall would also boost economic activities in sectors such as hospitality, transport, handicrafts and

local trade, generating direct and indirect employment opportunities.

In another decision, the cabinet approved the Young Professionals Selection Policy-2026 for technical and specialised services in the Department of Science, Technology and Technical Education and its subordinate institutions.

"With the implementation of this policy, the Department of Science, Technology and Technical Education and its affiliated institutions will be able to ensure prompt availability of talented young professionals. Their support can also be utilised to enhance the effi-

ciency of institutions and in carrying out research and other activities," said the Cabinet note. The Cabinet also approved the creation of a new post of Inspector General of Police (Border) under the Special Branch to strengthen border security and intelligence systems along international and inter-state borders.

Besides, the Cabinet approved continuation of the recommendations of the Fifth State Finance Commission during the financial year 2026-27, as the recommendations of the Seventh State Finance Commission are yet to be received.

Karnataka LoP accuses Congress of delaying GBA elections

PRESS TRUST OF INDIA
Bengaluru

Leader of Opposition in the Karnataka Assembly R Ashoka on Wednesday alleged that the Congress Government is repeatedly postponing the GBA elections out of fear of defeat, calling it a "betrayal of the people of Bengaluru."

He said that after dividing Bengaluru into five parts, internal Congress surveys reportedly showed the party would lose in four of the five corporations, leading the Government to deliberately delay the elections.

He further claimed that Bengaluru-in-charge Minister and Deputy Chief Minister DK Shivakumar does not want the elections held before the transfer of power to him as CM is complete.

"Due to infighting within Congress, no decision is being taken. Heaps of garbage are piling up across Bengaluru streets, and no development work is taking place. The Congress Government is directly responsible for this situation. Since the court has once again given a final deadline, elections must be conducted within that time

frame," Ashoka said. Speaking to reporters, he said the BJP is fully prepared for the elections, and the Government should announce the polls at the earliest.

Accusing the Congress of blaming Opposition parties after realising through internal surveys that defeat is certain in the Greater Bengaluru Authority polls, Ashoka pointed out that the BJP had earlier written to the Election Commission requesting immediate elections. "If they are confident of winning in surveys, why are they not conducting elections?" he asked.

On Wednesday, the Supreme Court extended the deadline to August 31 for holding the long-pending

elections to the five city corporations under the GBA.

On January 12, the apex court had directed the Karnataka Government and the State Election Commission to hold the polls for the Bengaluru civic body by June 30. A bench of Chief Justice Surya Kant and Justices Jaymalya Bagchi and Vipul M Pancholi extended the deadline to August 31 and made it clear that no further extension would be granted.

The order was passed after senior advocate Abhishek Singhvi, appearing for the Karnataka Government, cited manpower shortages due to Census work and the upcoming Special Intensive Revision (SIR) of electoral rolls in the State.

Gujarat Govt curbs foreign trips, promotes EV use to save fuel

PRESS TRUST OF INDIA
Gandhinagar

The Gujarat Government has announced measures, including curbs on official trips abroad and the use of technology to minimise travel, to regulate the use of fuel and foreign exchange in the wake of the West Asia crisis.

"In view of the prevailing global situation, the State Government has decided to implement measures regarding the use of petrol, diesel and foreign exchange. The instructions

should be followed with immediate effect," said in an 11-point circular issued on Tuesday.

The Government said its staff should

avoid travel by maximising the use of technologies such as telephone, mobile, e-mail and video conferencing, except in extremely essential cases. As per the circular, foreign tours should not be planned except under "unavoidable circumstances". Participation in training programmes, seminars, study tours and conferences held abroad should also be avoided unless absolutely necessary, it said.

Meetings outside Gujarat should be held online, and if travel is unavoidable, senior officers should ensure that

their subordinates do not accompany them unless extremely necessary, according to the circular.

Officers or employees should avoid official travel outside their respective district as far as possible. If such travel becomes necessary, prior approval from the controlling authority must be obtained, it added.

All administrative departments and their subordinate offices should review the Government vehicles available to them and keep surplus vehicles out of use, the circular said.

Sikkim Governor promises support to highway project

PRESS TRUST OF INDIA
Gangtok

Sikkim Governor Om Prakash Mathur on Wednesday assured support for the proposed Yuksam-Legship highway via Pelling. The assurance came after Lok Sabha MP Indra Hang Subba informed the governor about the project initiated by the State Government during his visit to Gyalshing district, according to an official statement.
